Stored Memories

"Are we not men?"
Thumbs up, Indians.

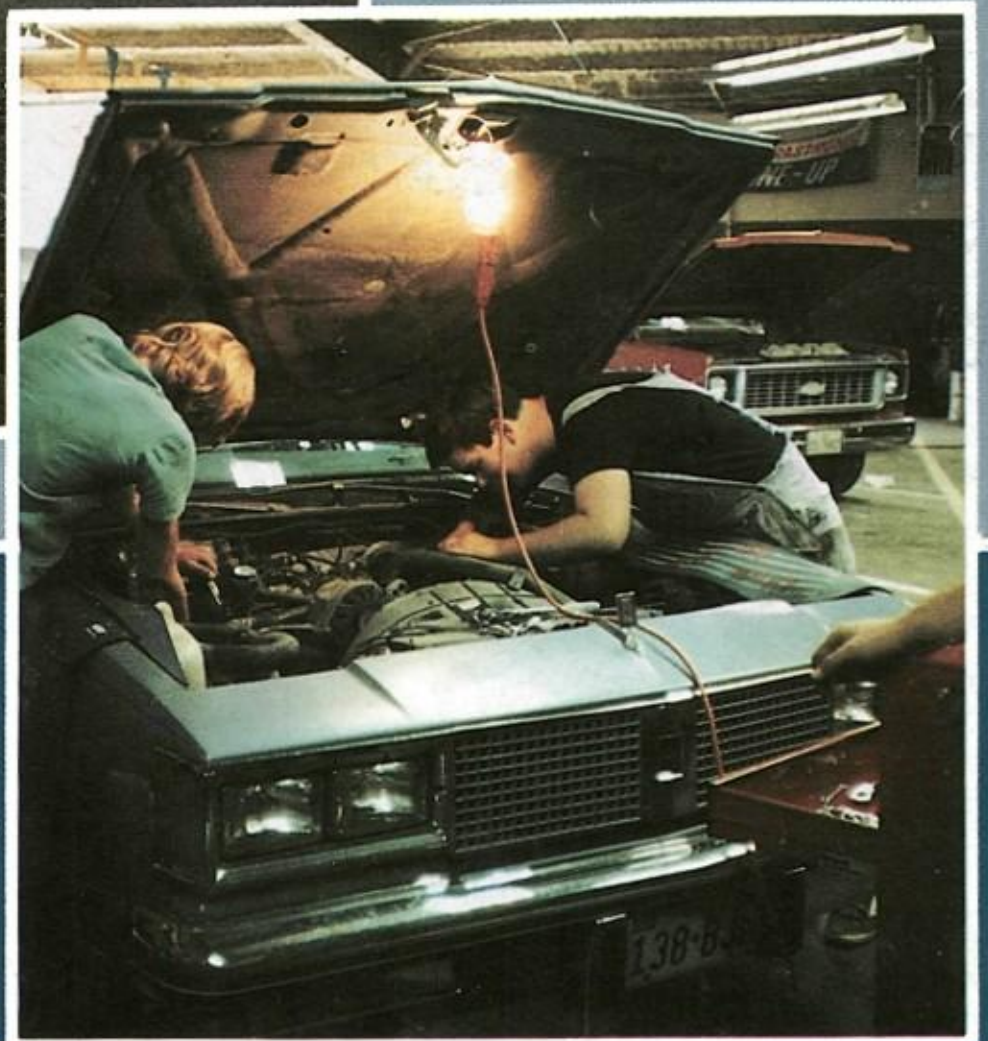

In a lifetime, one person stores enough memories to fill a thousand books. Some are delightful and exciting, being thought of day after day, but others are desolate and drab and easier forgotten. What would life be like without the endless memories of ex-sweethearts, Friday night football games, and neverending nights of cruising Ferris? Those things can never be forgotten. Memories are one's own, and they can never be taken away. They will remain in the heart through good and bad times, being one of the most loyal friends a person can have. The life of a memory is endless if the possessor chooses to make it that way. One is never alone if *stored memories* are kept alive.

To Sir, With Love

This is no joke. The Waxahachie High School yearbook staff has dedicated this edition of *The Chief* to you, Doug Keese.

Mr. Keese was born in Lubbock, Texas. Doug has been an Algebra I and II teacher at Waxahachie High School for the past eleven years, along with being one of the sophomore class sponsors.

Mr. Keese always takes the time to come to tutoring to help the students. He is a teacher who is truly dedicated to his students. This is why we have chosen to dedicate this yearbook to *Douglas Lee Keese*. No joke Mr. Keese, this is your yearbook.

A Senior's Thoughts

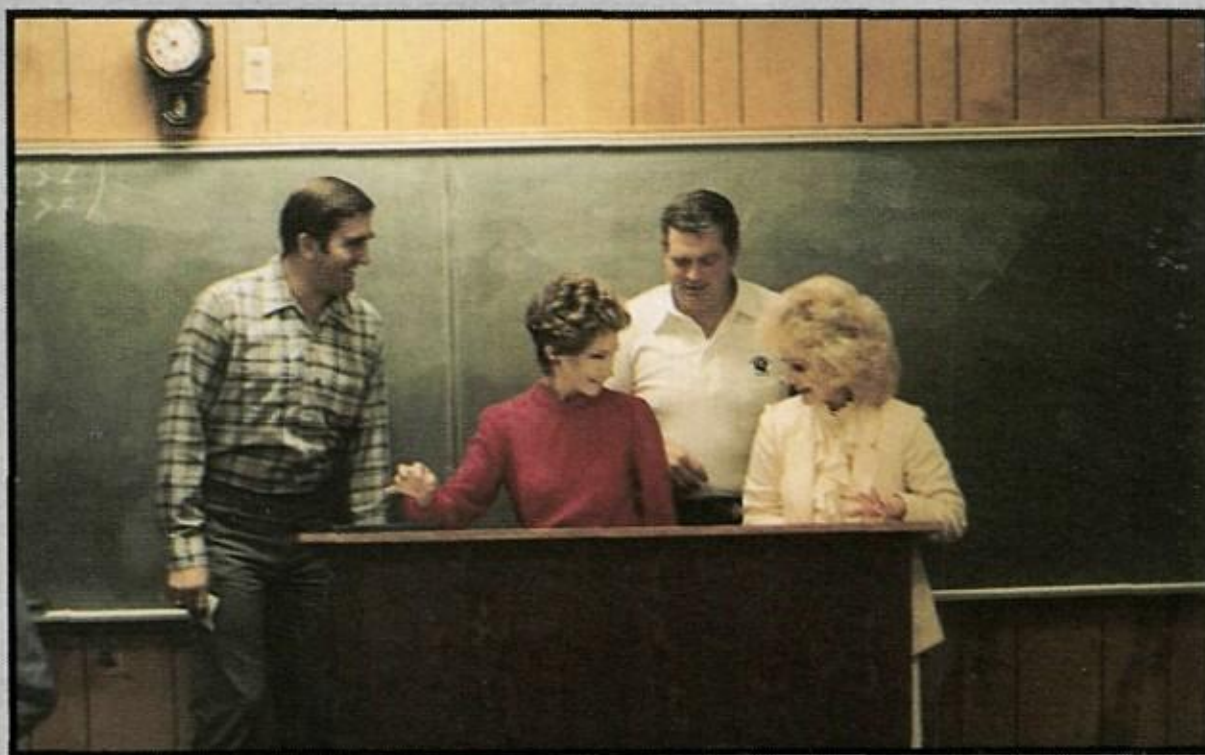

We banded together as a family at our last pep rally, where our song, "The Way We Were," played a part in a touching tribute that will always preserve the memory of our class, and we will continue to be as close as we are now for many years to come. Our motto,

"We've had so many things to share,
Secrets, love, and even despair.
Let us separate and continue to strive,
But never forget the year '85."

expresses all thoughts and feelings of our class. We have shown our loyalty to our Indians by selecting the Indian Paintbrush as our class flower. After twelve years, our time together is nearing an end. As the Class of '85 ends its reign, remember Seniors, as you enter the "real world," always be proud and hold your heads high, because you, my fellow classmates, are

THE CLASS OF '85!!!

*Love,
Jamie*

What They Mean To Us

"Coach Kaz makes a good Senior sponsor because he is an understanding person and knows how to relate to young people."

-Damon White

"I like the way Diane Smith comes down to the students level and acts like one of us. She also has a funny sense of humor."

-Camille Utsey

"Ms. DeVore's the best, because she stands up for her Seniors like they were her own children."

-Beth Banks

"Coach Arnold's great because he helps the kids and gets along with them well."

-Rob Wilson

Favorites

When asked why Leanne Travis and Damon Borders were chosen as Class Favorites, the Seniors responded like this:

"Leanne's a wild and crazy kid."

-Carrie Morris

"Damon's just a really cool guy."

-David Allen

"She's fun-loving and fancy free! (Just kidding Leanne!)"

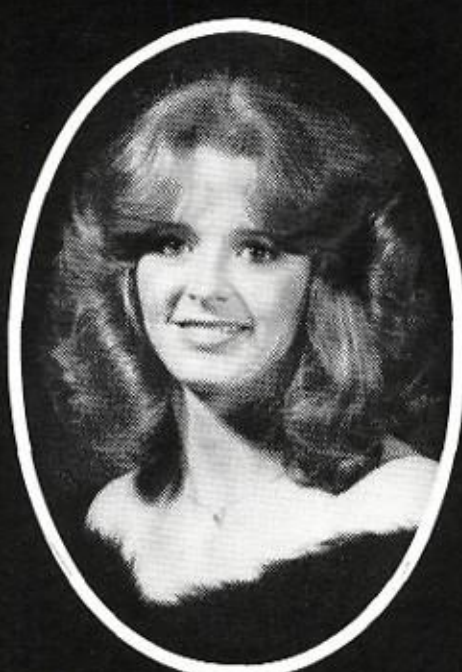

-Andy Johnson

"He seems like whenever everyone else is down in the dumps, he's always smiling and being cheerful."

-Patricia West

Junior Officers: Front Row: Charles Moody-President, Taffy Bell-Secretary, Charlene McCullar-Vice President, Charlie Barron-Treasurer; Back Row: Advisory Council-Susan Willis, Clint Calvert, Leigh Lothridge, Melissa Winn.

One More Year!

One more year and we'll finally be seniors-something we talked and wondered about since kindergarten. We, the Junior class, are special in our own eyes. We have bonds that will keep us together for many years after graduation. It seems like we've done so much together over the years, and this year was no different. We ordered class rings, organized the prom and became known as upper classmen-finally! High school is supposed to be one of the best times of a persons life. I'm glad we've gotten to share it together!

-Chrisanna Simpson-
-Anthony Cantu-

Junior Class Sponsors

Lynn Stockman, Charlie Carmichael, Debbie Leake.

These three outstanding teachers not only teach but dedicate much of their time and energy being Junior class sponsors. Mrs. Stockman spends a lot of her 7th periods organizing many events, the main one, the prom. The prom this year was a huge success thanks not only to the Junior officers but to these three sponsors who contributed much time and hard work. The whole Jr. class is grateful to them.

Class Favorites

Charles Moody

Charlene McCullar

Charles always has a big smile on his face and no one can not like a guy that is always smiling.

-Joann Calhoun-

Charlene has a good personality and a lot of charisma, and is generally a great person to be around.

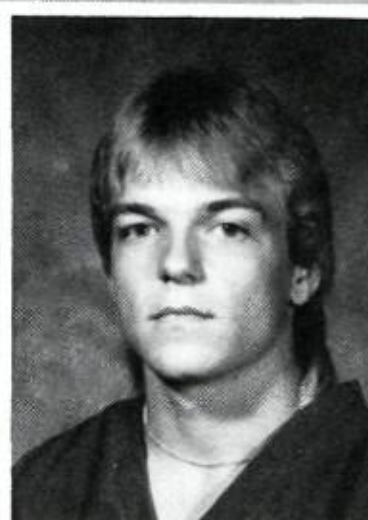

-Gary Nelson-

Charles is a nice person and a great friend to just about everybody. He always smiles and always has something funny to say.

-Greg McKeever-

Charlene is a friend to all. Your problems become hers, as do your times of joy.

The Sophomore Class Officers were elected by the student body to represent them in the year to come.

"I chose Gaye as president because she can get things done when the Sophomore Class asks."

-Heather Thompson-

Mrs. Mullican, Mrs. Adams, and Mr. Keese (not pictured) are three dedicated people who have gone out of their way to make sure the Sophomores have a great year.

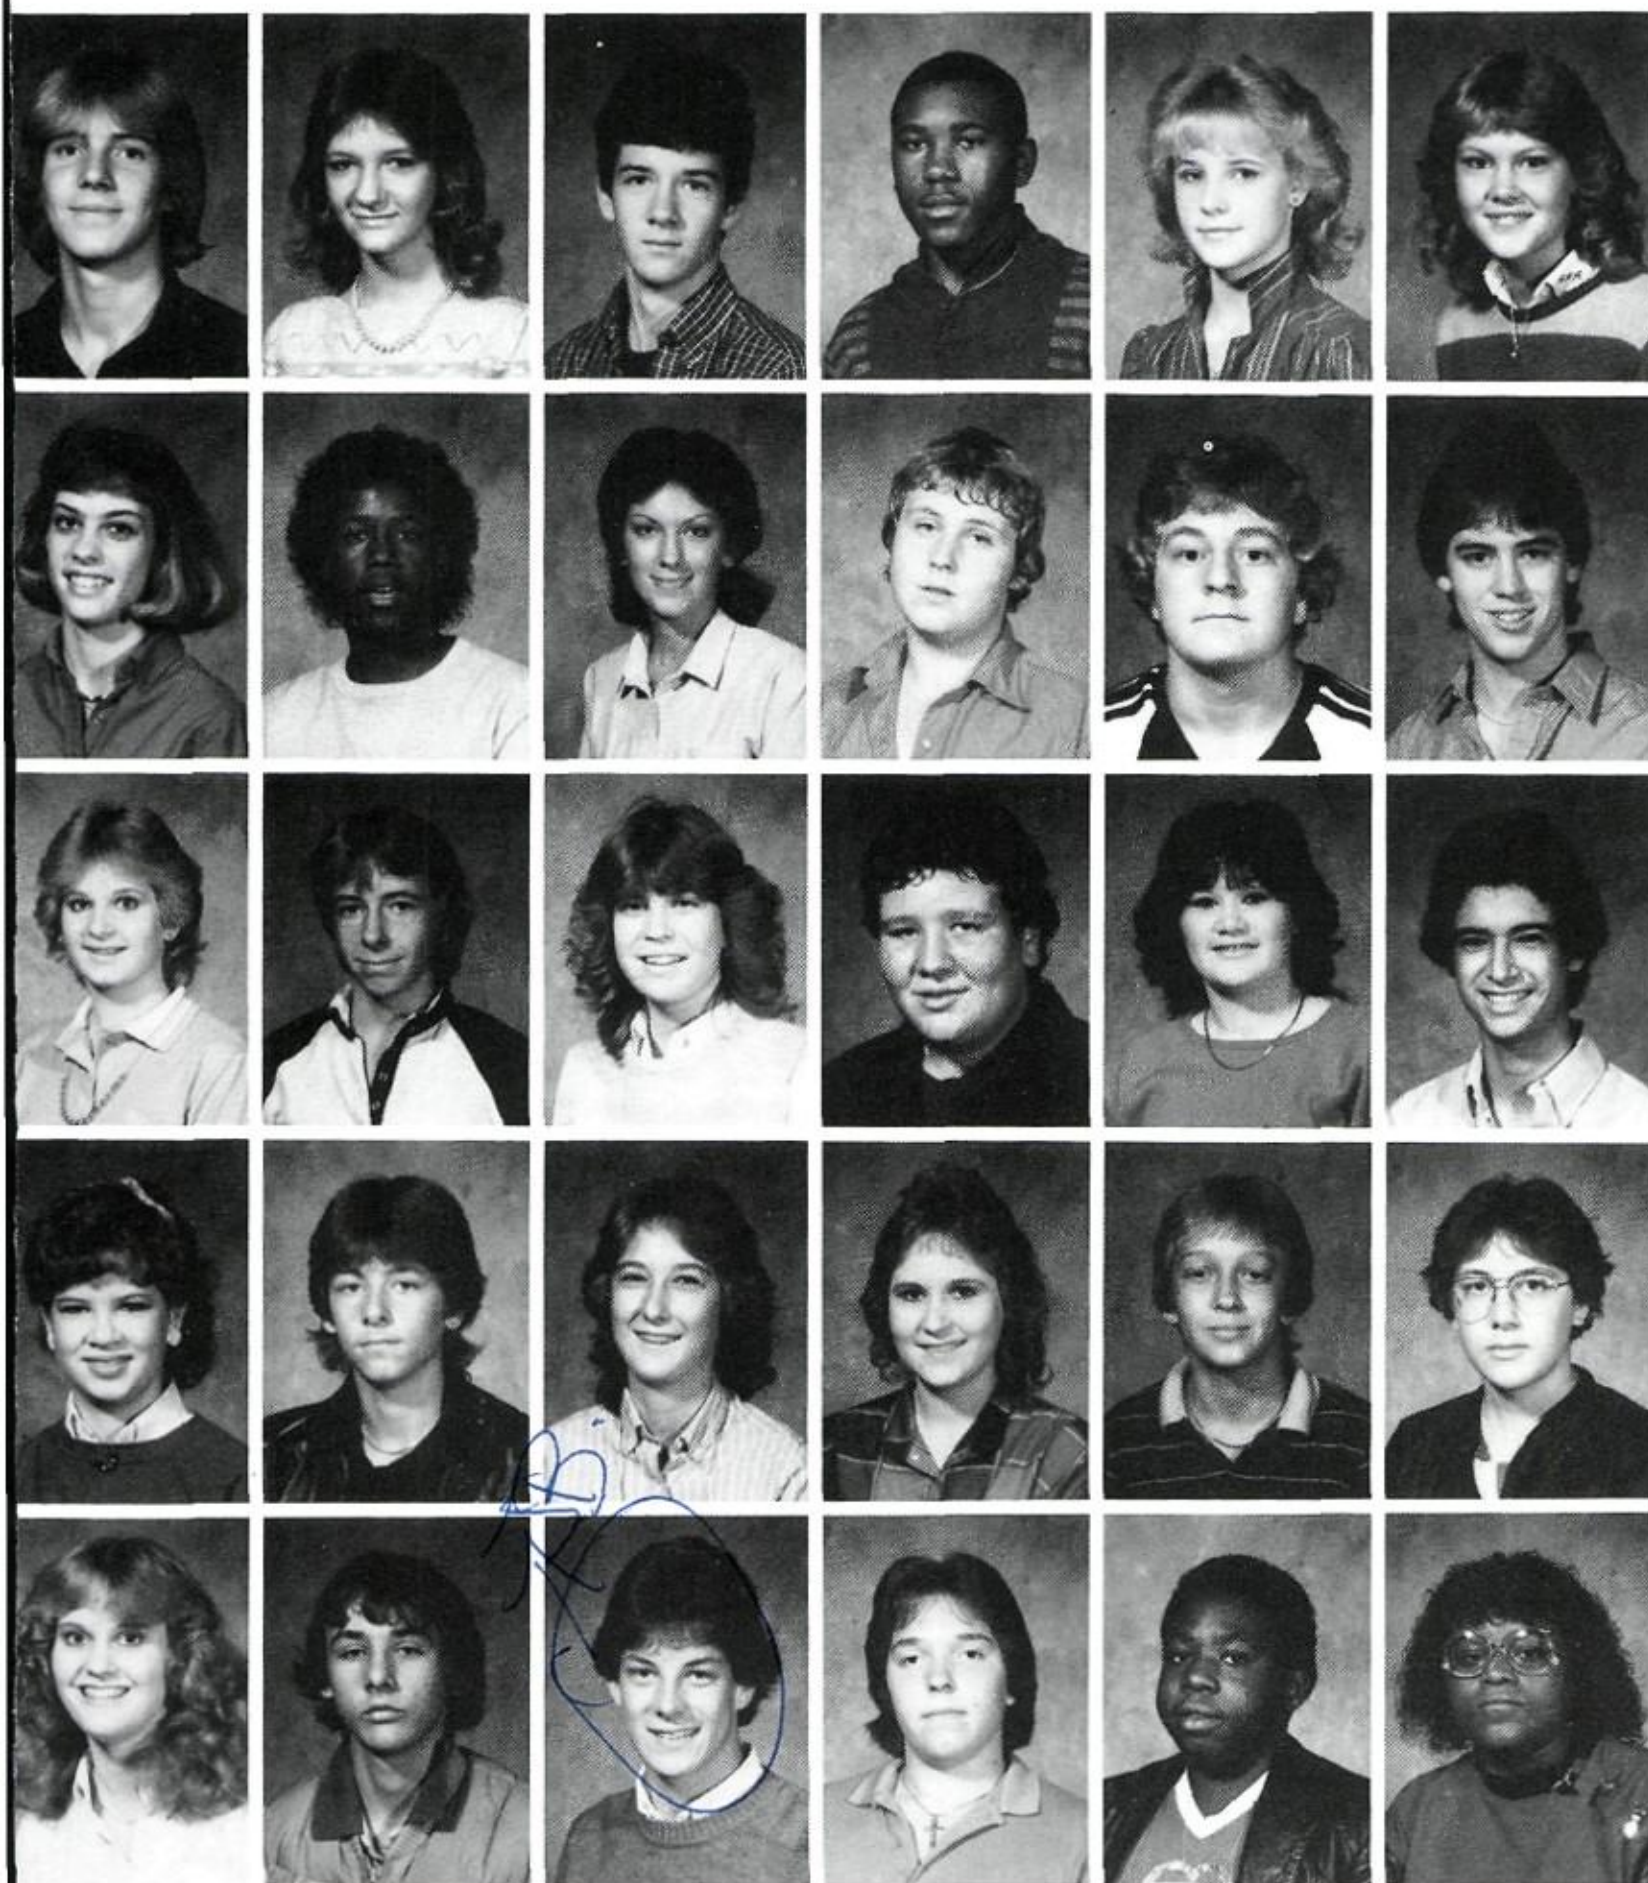

Favorites

By popular demand, Byron and Carla were chosen as class favorites once again.

"I chose Carla because she is a sweet person and fun to be with," stated Liz Shelly.

Steven Mott said, "I picked Byron because I thought he would be a good person to be a favorite."

The Best of Times, The Worst of Times

A step inside a new room . . .
A step inside a new school . . .
A step inside a new way of life . . .

These were the steps taken by the freshmen when they entered W.H.S. The freshmen are perhaps the most fortunate of all our student body, for they have before them the most exciting times of their high school careers. It is up to each of them to serve their high school community with a sense of responsibility, obligation, and duty so that they may uphold the tremendous spirit and tradition of W.H.S.

Freshmen Class Sponsors: Mrs. Lona Hobbs and Mrs. Doris Butler, not pictured is Mr. Isiah Moreland.

Today freshmen, tomorrow the world.

The giant step from Junior High is easy for some; harder for others. It is the step we all must take; the step from being a child to being a young adult.

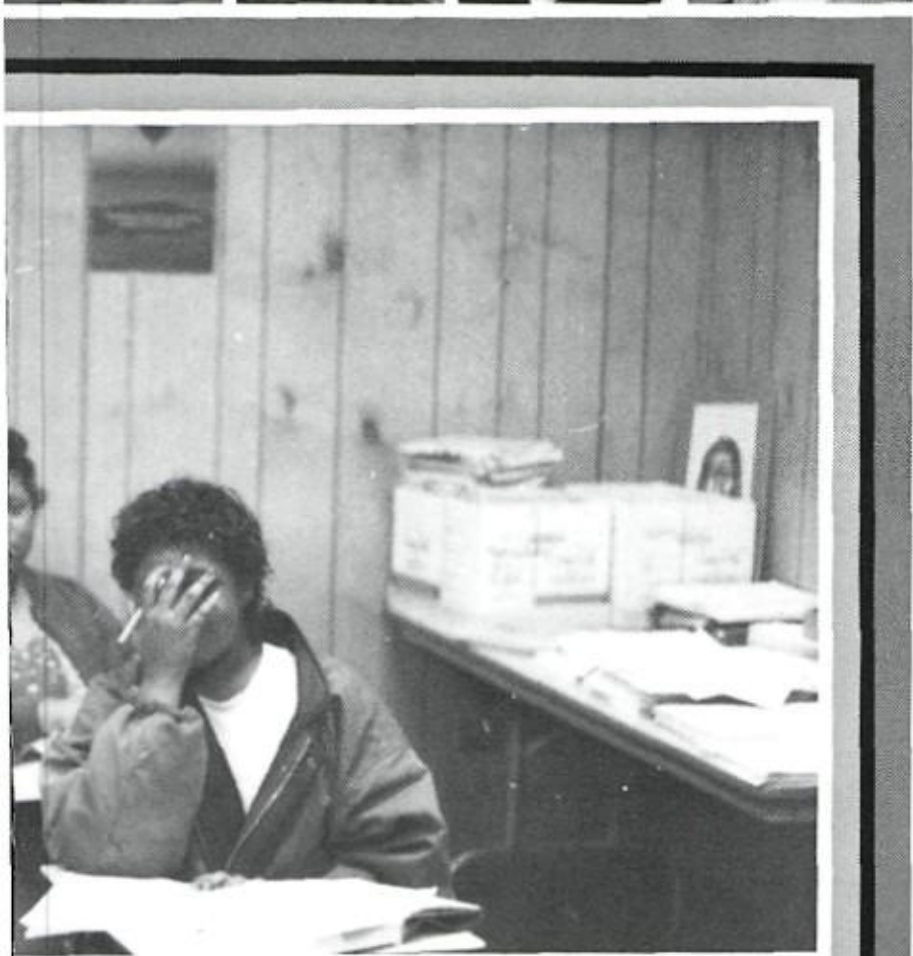

With this step comes responsibility. Teachers expect homework, on time for goodness sake! Parents expect straight A's. Friends expect to have more quality time with each other. Not all of these expectations are easily met. However, the freshmen should realize that all must go through this step in life. Afterall, What is considered to be a small step for mankind is in reality, a giant leap for freshmen.

What's so interesting?

The freshman were able to experience one of the favorite pastimes at WHS lunch. The lunchroom is one of the places where you find the latest gossip, to talk with friends, and to eat the delicious(?) cafeteria food. Just think they have three more years to look forward to this. Aren't they lucky?

With the first year of high school comes the beginning of a new challenge to the student. Knowing that great responsibility is upon him, the freshman seeks the opportunities to develop his character and mind. However, he soon realizes that the path to success in his endeavors is a lonely and difficult undertaking. It is important to each freshman that he be encouraged to continue the self-development he began in Junior High.

I'm really working, Mr. Cain.

The student council chose a representative from the upper and lower classes for the spirit chain contest. This year's representatives were Keri McLane and Randy Sargent. The upperclassmen beat the lowerclassmen and the lowerclassmen's representative got the honor of being hit in the face with a paddle in front of the whole school.

It's A Wonderful Life

Oh, the glory that was Greece, and the grandeur that was Rome . . . , the fun that was WHS.

Yes, the wonderful times at WHS. The intermingling of friendly voices in the lunchroom, the excitement at a pep rally, the tension at a close game, the records spinning at the after game dances, the call of a warm "Hello" as you walk down the hall, the quiet of the library, the liveliness of classroom discussion. All of these flow into the stream of activity we will always recall as the magnificent life at WHS.

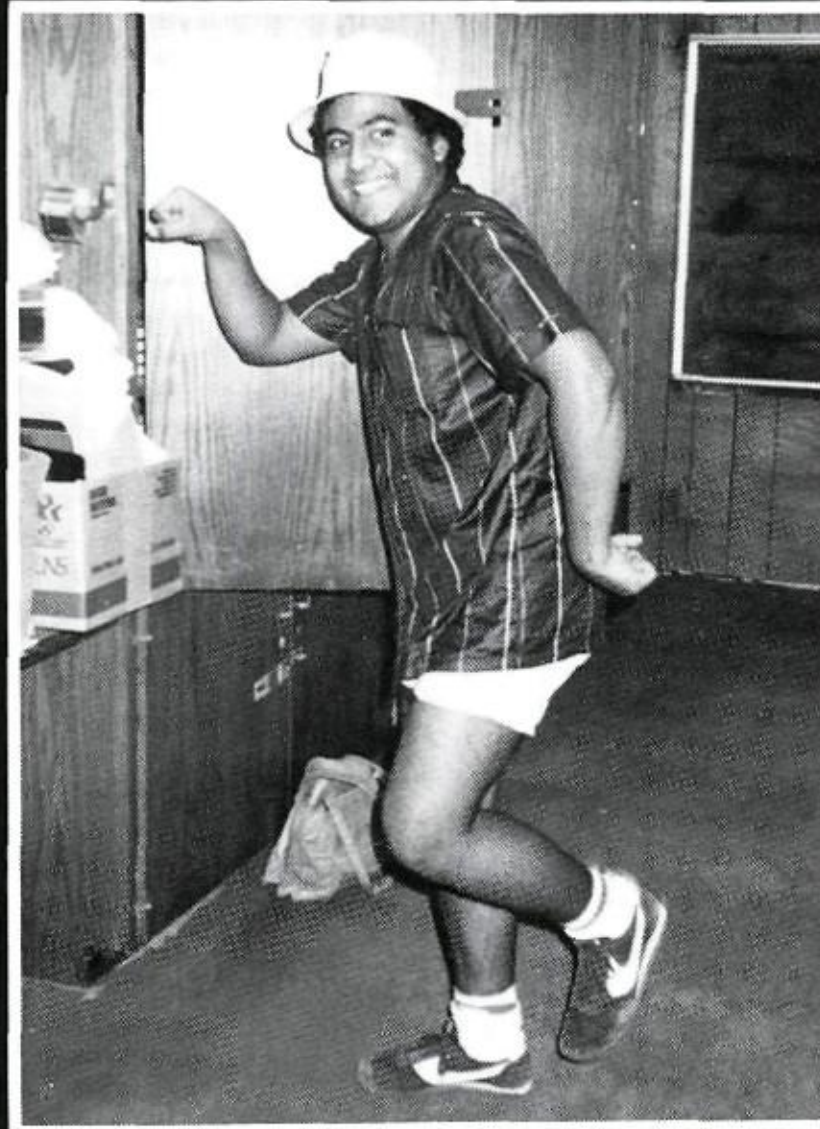

Who ate the canary?

Hands this year expressed the many moods of the students. Excitement, confusion, power, amazement, mischief, boredom, and the "I don't want my picture taken," moods. All of these hand signals made 1985 a unique year for *the Chief* photographers.

Coach Harris, hats are not allowed in the building.

In math classes, students are taught basic skills so that they may later use either in life or in job situations. Fundamentals of Math and Consumer Math courses concentrate on basic survival skills that the consumer will face. Beginning with Pre-Algebra, students are given a more in-depth study of the number system that prepare them for college. Advanced Calculus is another college preparatory course offered in this department.

Mrs. Aday, is there something wrong with the ice cream?

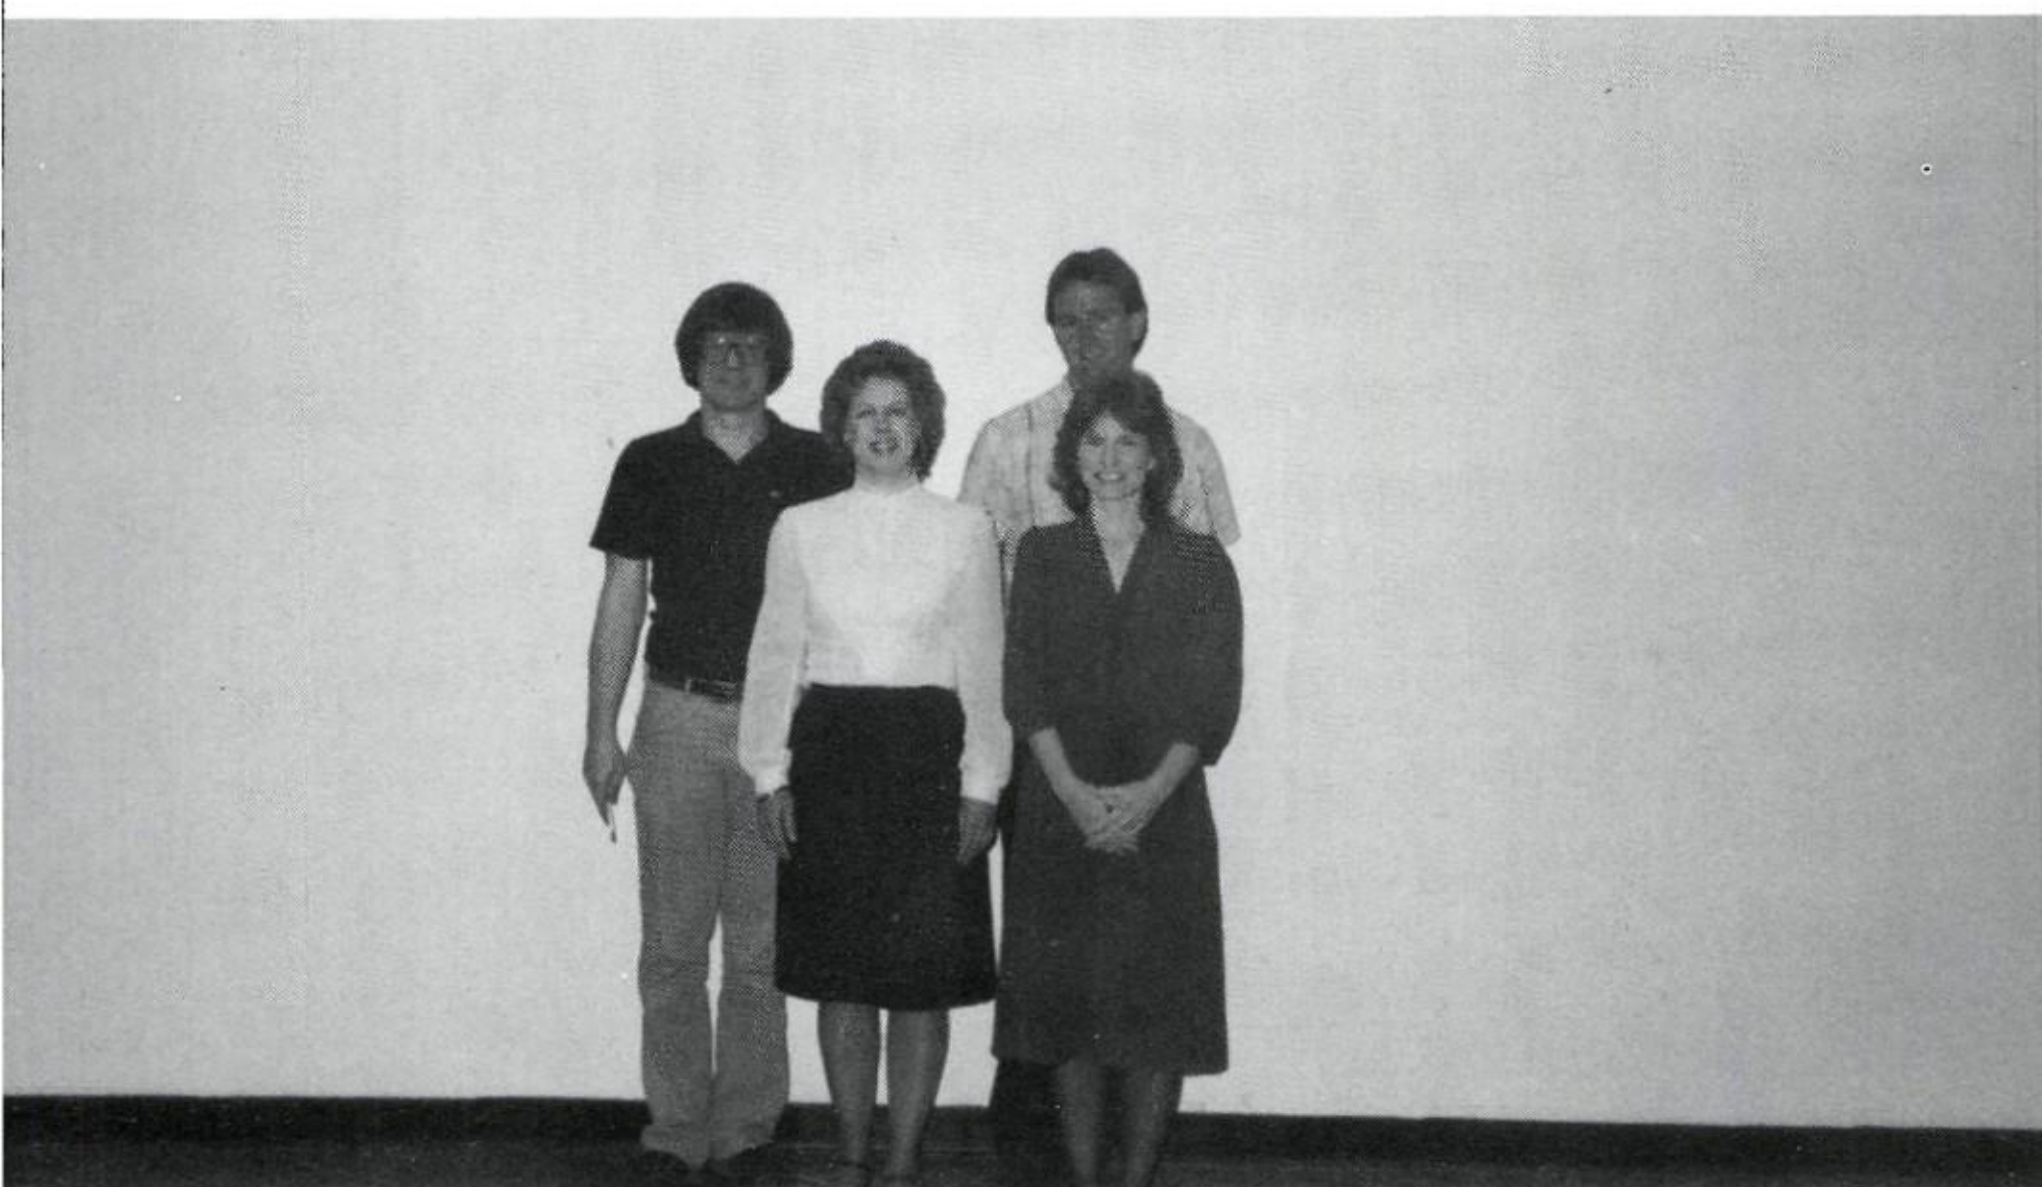

In science classes, students are given the opportunity to prepare for college by taking Biology I, Chemistry I, and Physics I. Our school is unique in its course offerings of Chemistry II, Biology II, and Physics II, giving students with an interest in science and in-depth study of these subjects.

Coach Carmichael, look over your shoulder!

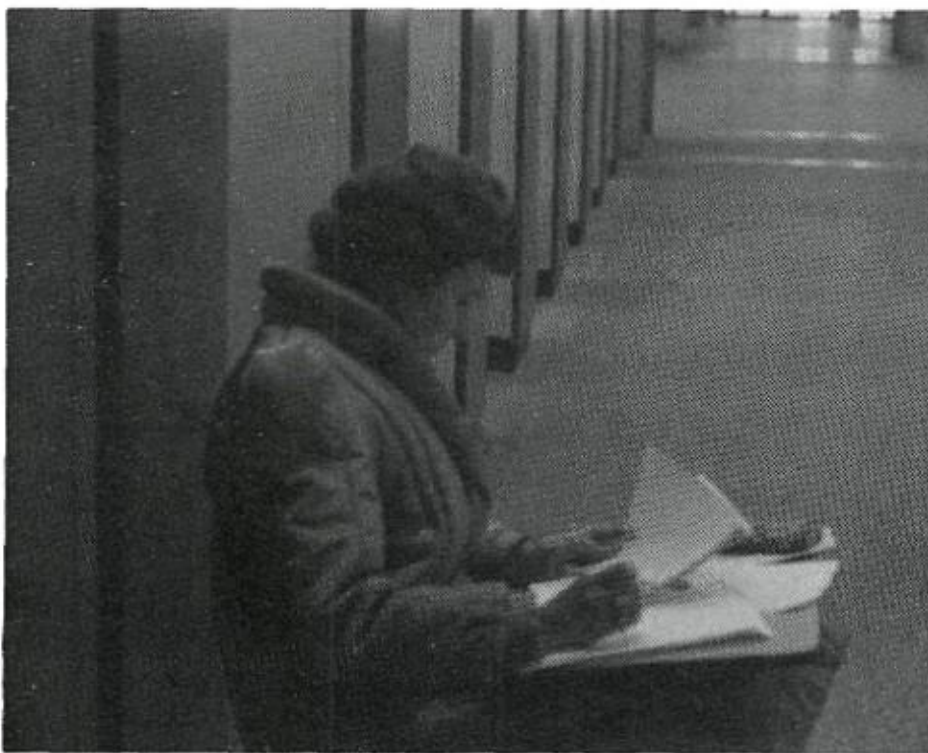

In history classes, students are taught about events, people and places that have had a continuing impact on our world today. We hope that by studying the past, we can avoid recurrences of past catastrophes, such as the Holocaust of World War II.

The English Department is designed to give students greater proficiency in using reading and writing skills. By levelling the classes, teachers are able to give assistance to those who are lacking in skills, meet the needs of the student in the middle ground, and challenge the students in the advanced English classes. The entire department is designed to meet the individual needs of each student. The department is headed by Mrs. Wanda Cain.

Oh no! I'm surrounded!

The Vocational department allows students to prepare for their future. Some students are fortunate enough to get on the job training. While others are trained in the classroom for three hours each day. They are trained in many different areas, such as; building houses or cabinets, work on either the body of a car or the engine. There is also training in cosmetology, health care, and office duplication.

HOLDING THE FORT DOWN!

The office personnel are hard working people, working eight hours a day, five days a week. They do things such as absentee slips, answering the phone, calming frantic parents, and making students obey the rules. This year we are losing a very hard worker, Mrs. Kvale. Mrs. K is always willing to help anyone, student or faculty. Thank you Mrs. Kvale.

We'll Go Marching On

Hup 2,3,4, Hup 2,3,4. These are very familiar words to the members of the Waxahachie marching band. They spend the latter part of their summers and the first half of the school year in the burning sun, pouring rain, or freezing cold. They all agree that it is worth it though. Mr. Pickett, Mr. Centura, Drum Major-Heather Watson and Assistant Drum Major-Jennifer Brown led the band through another great season filled with exciting half time shows. Everyone looks forward to next year's marching band which promises to be just as exciting.

All That Jazz!!

The WHS Stage Band is a group of elite band members. These students and their director, Bill Centera, are brought together by a strong friendship and their love of music. The Stage Band began the year studying music theory and jazz improvisation. When basketball season started the band entertained audiences by playing old favorites in between games. Then they began preparation of a few tunes to play at the UTA Jazz Festival in March. The band played well, even though ineligible to compete. After returning from the contest, with George Cole, Jennifer Brown, Bob Watson, and Taffy Bell being named outstanding musicians, the band began preparing themselves for their Spring Concert. The concert on May 20, was a huge success. They closed out the year with a bang and everyone began looking forward to next year. The 1984-85 Stage Band wishes to thank Mr. Centera for making this the best year ever.

J.V. Teams Up For Competitions

The J.V. cheerleaders qualified for National competitions in Florida. It was unusual for the team to go to this competition and this year was the first year freshman were allowed on the J.V. squad. The freshman proved to be bright additions to the J.V.. All of the cheerleaders showed much enthusiasm and worked extra hard at competing skills, but that wasn't all, they still managed to sell programs and cheer on the crowds at pep rallies, football games, and basketball games. Council Serves Students

Student Council is the governing body of the high school. They sponsor dances and concerts to earn money to buy various things for the school such as trophy cases and murals on the walls.

The Council is made up of representatives from each grade. An application must be filled out and is then reviewed by select faculty members.

One of the most important events sponsored by Student Council is the Homecoming activities. Starting with hall decorations in the morning, parade in the afternoon, Homecoming Queen announcement at the football game and dance following fill up their day and many weeks previous to it.

The Council is a fun organization to be in. It opens up a lot of opportunities for many things. But the most important objective is to serve the Indians at Waxahachie High!

They worked hard and put together a project for the state convention in Austin. Mr. Hancock and Mr. French took the members down to Austin and even though the project didn't win, everyone had a good time. They all agree that the Jr. Historians is a very rewarding organization.

Our Gang

This year's '84-'85 Chief Staff would sincerely like to thank Mrs. Anne Phillips for her help and support on our yearbook. Through hard work, determination, and her never ending way of thinking "We've got to finish! We've got to finish!", Mrs. Phillips is one of the best advisors we, the staff, know of. (Actually, she's the only one we know of.)

This year's staff was under the leadership of Co-Editors Charlotte Ray and Chrisanna Simpson. Charlotte was the peppy one of the staff, always ready to laugh and cheer up everyone. Chrisanna was the more strict one, always making sure everyone had their layouts ready and prepared to give out more. Anthony Cantu, the not-so-business-ike-business manager, Raquel White, Debbie Hines, and Gary Nelson rounded off their second year as kind of parent figures, giving advise to our newer staff members. The new ones were Senior Jamie Winningham, who received the Provine Scholarship, Junior John Farris, and Sophomores Jill Rominger, Renee Smith, Patrick Felty, Liz Shelley and Michele Robinson, who all showed they could learn how to put a yearbook together just as fast as the older members.

Members of the WHS Art Club commemorated the birthday of Osgood Waller this week. Col. Waller is the founder of the local chapter of "The Society for the Preservation of Conceptual Art." The name was changed to WHS Art Club on April 10, 1902 as part of a gala comemoration of Wallers birthday, April 17, 1486. The dates have become a bit confused through the cons, due to inaccuracies the T.S.F.T.P.C.A. secretary's and the local "hysterical society's" records.

Attempts are being made at present to have the third Monday in April declared as Osgood Waller's official birthdate. That way Waller's age will never be accurate, but, at least we have an extra three day weekend.

Smoke Signals

Newspaper reporters are required to do all kinds of things.

The W.H.S. Newspaper staff was quite a group this past year. They were all hard workers, but they never let their quest for detailed and accurate reporting get in the way of having fun. Starting with no money or outside financial support, they started up the paper at the beginning of the year, and the paper soon grew. The paper reorganized under a new name later in the year, but the staff held it together. The newspaper staff is very grateful to Mr. and Mrs. Cain (the sponsors), Jonathan Fisher's father (who printed some of the papers), and Quick Print (which printed the rest), without whose support the newspaper wouldn't have been possible.

Fellowship Rewards Athletes

Fellowship of Christian Athletes is an organization of young ladies and gentlemen who are interested in sports and the Bible. The purpose of FCA is to present to all athletes and coaches, and all whom they influence, the challenge and adventure of receiving Jesus Christ, as Savior and Lord, serving him in their relationships and in the fellowship of the church. Some of FCA's activities include going to college basketball, baseball, and football games. They also attend a state convention and a National Conference. All members seem to agree that The Fellowship of Christian Athletes is a very rewarding organization.

Students Vs. Faculty

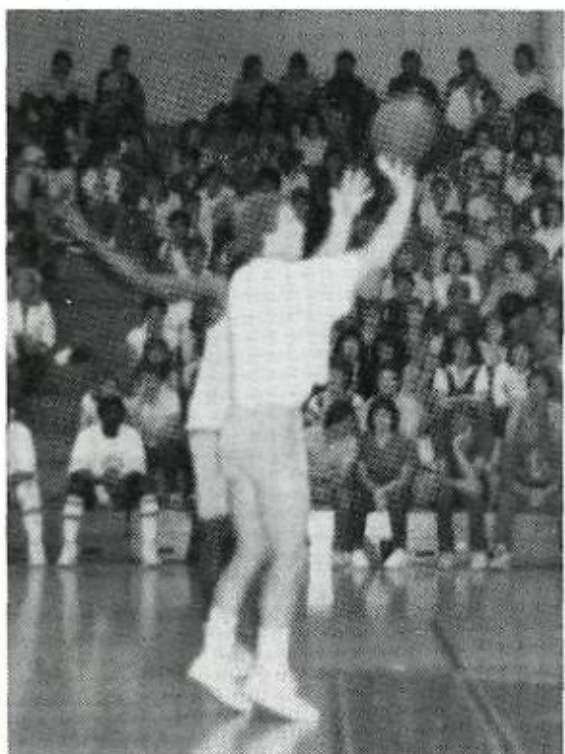

The most memorable game of the year was the Seniors vs Faculty match. The game was highlighted by some spectacular shots from Tony Erskine, Chris Clem, and basketball "hotshot", Randy Ford. Though the Seniors did well, the Faculty had a secret weapon of their own - "The Aggressive Aggie", Coach Jim Kazmierski, who was the team's leading scorer. In a second quarter tip-off between Rheanne Smith and Mr. George Solis, the Faculty took charge as Coach Sargeant hit the hoop for two. Then, in the third quarter, Coach Forgeson tackled Erskine, and the Seniors, led by Mason Corbin, ran on to the court and exacted their revenge.

The Seniors took care of Coach Forgeson.

A Rocky Road Season

Our season this year got off to a bumpy start. The moment we hit the court for the first time, it was like we had never played volleyball before. Everything seemed to be at our disadvantage, nothing was in our favor. As time passed we experienced everything it takes to be a winner. We experienced the agony of defeat and the excitement of a victory. The feeling of a victory seemed to be exciting to the team, and we began winning. So, our season wasn't so bumpy after all.

The Price Of Excellence Mental Toughness

It is not a trite saying that a man who won't be defeated, cannot be defeated. Unfortunately, most athletes say that they will not be defeated, but they are not willing to make the sacrifices to make their words come true. It takes more practice to acquire mental toughness.

What is mental toughness? It is the ability to concentrate on every play of every game of every match. It is the ability to make the right play under the greatest pressure. It is the ability to put pressure on your opponent when you are behind. It is the ability to overcome insurmountable odds to win a victory. An athlete acquires mental toughness by concentrating on perfection of execution in practice over a longer period of time than he would be expected to perform during competition.

If your opponent knows that you will not lose, he has admitted defeat before the competition begins and you can promptly relegate him to the sidelines. The sidelines are crowded with losers but there is always room on the court for a champion.

THE CHAMPION MUST BE MENTALLY TOUGH

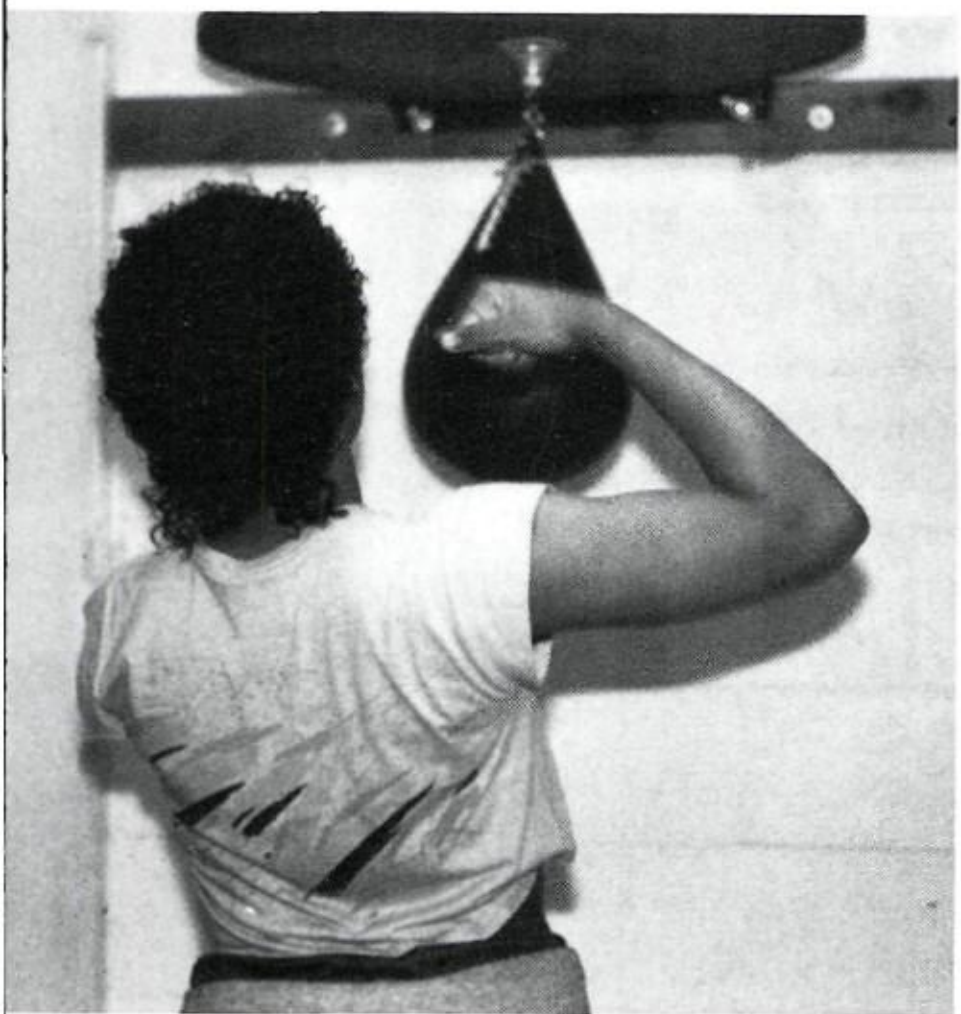

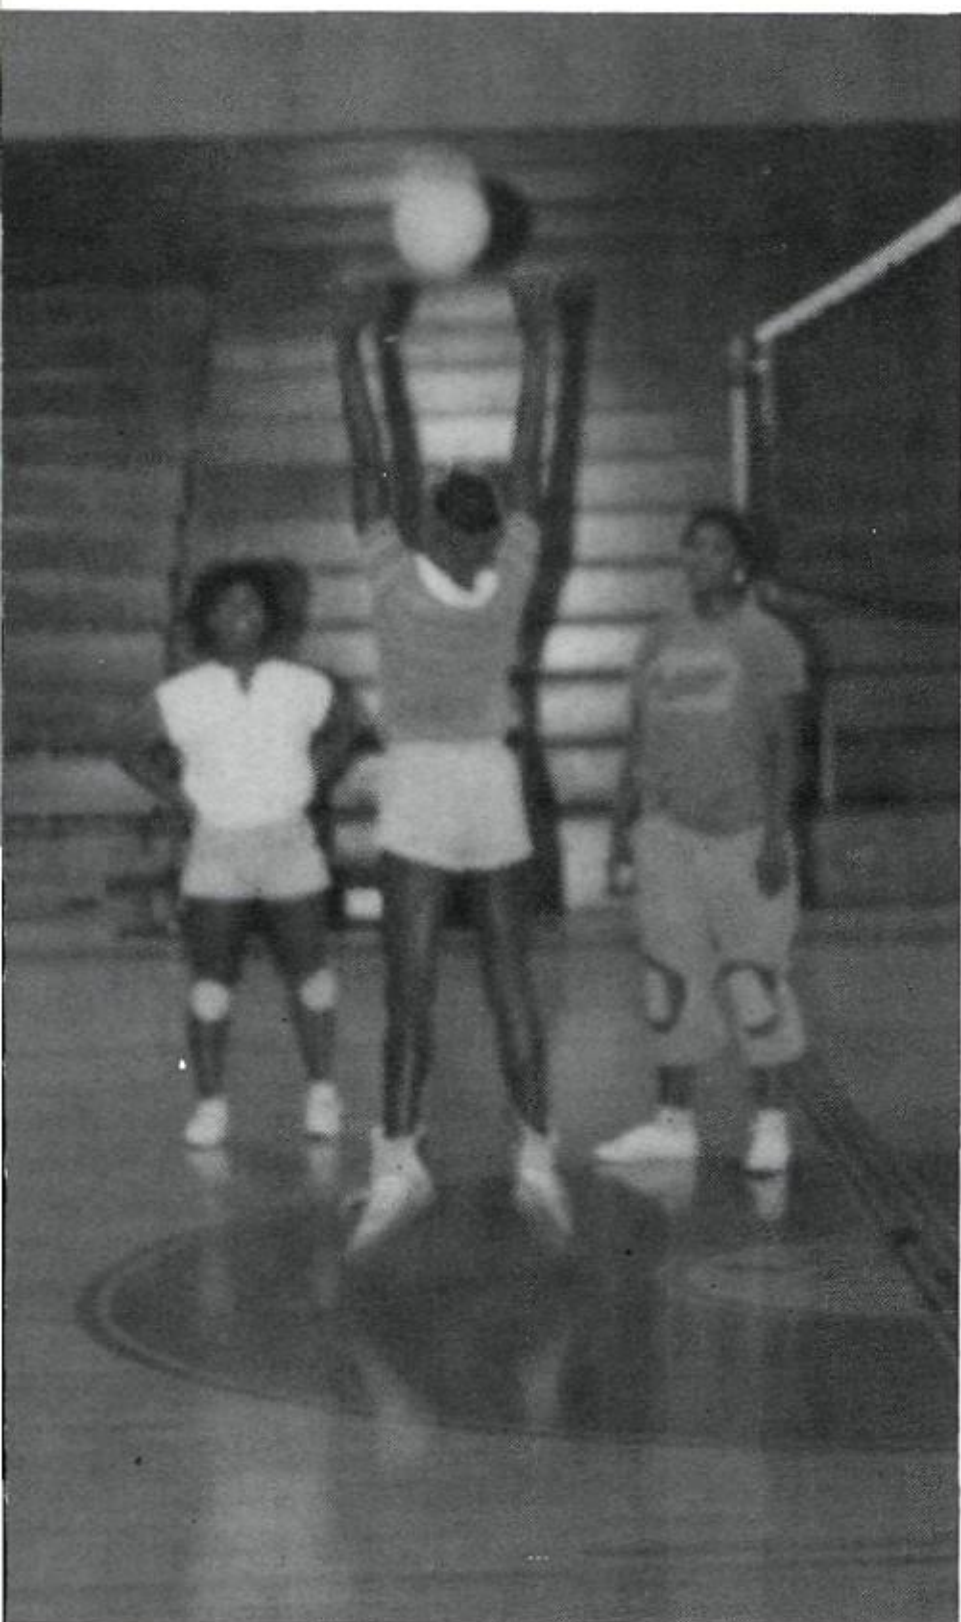

“Getting Ready”

Going For The V

This year the J.V. Volleyball team has practiced numerous hours, getting ready to become part of the varsity team next year. The J.V. has experienced the hard work and determination of what it takes to meet the qualifications of a varsity player. They have learned the basics and will be prepared for the “BIG V” next year.

The Mighty Indians

This year our Indians experienced a number of changes and hardships that would have dampened the spirits of any other team. The "no school pep rallies" rule damaged many schools' enthusiasm but remained intact. A serious car crash early in the year all but ended the season for one of our senior Tribesmen, Thad Trapp. However, the Indians tried that much harder, driven by their concern for their injured friend. Finally, three heart-breaking losses near the close of the season ended any hopes of playoffs the Indians may have had. Even that could not scratch the undying pride and spirit that is always will be the *Waxhachie Indians*.

There are a lot of signs in the field house. This sign means a lot to a group of young men, and that group is the Junior Varsity team. The J.V. team didn't have a good season this year. The reason for this is that some of the players were moved up to the Varsity level. This move of players was mainly to improve the Varsity team, and of course it did.

Lancaster	2/8	W	77-73
Corsicana	2/12	L	52-69

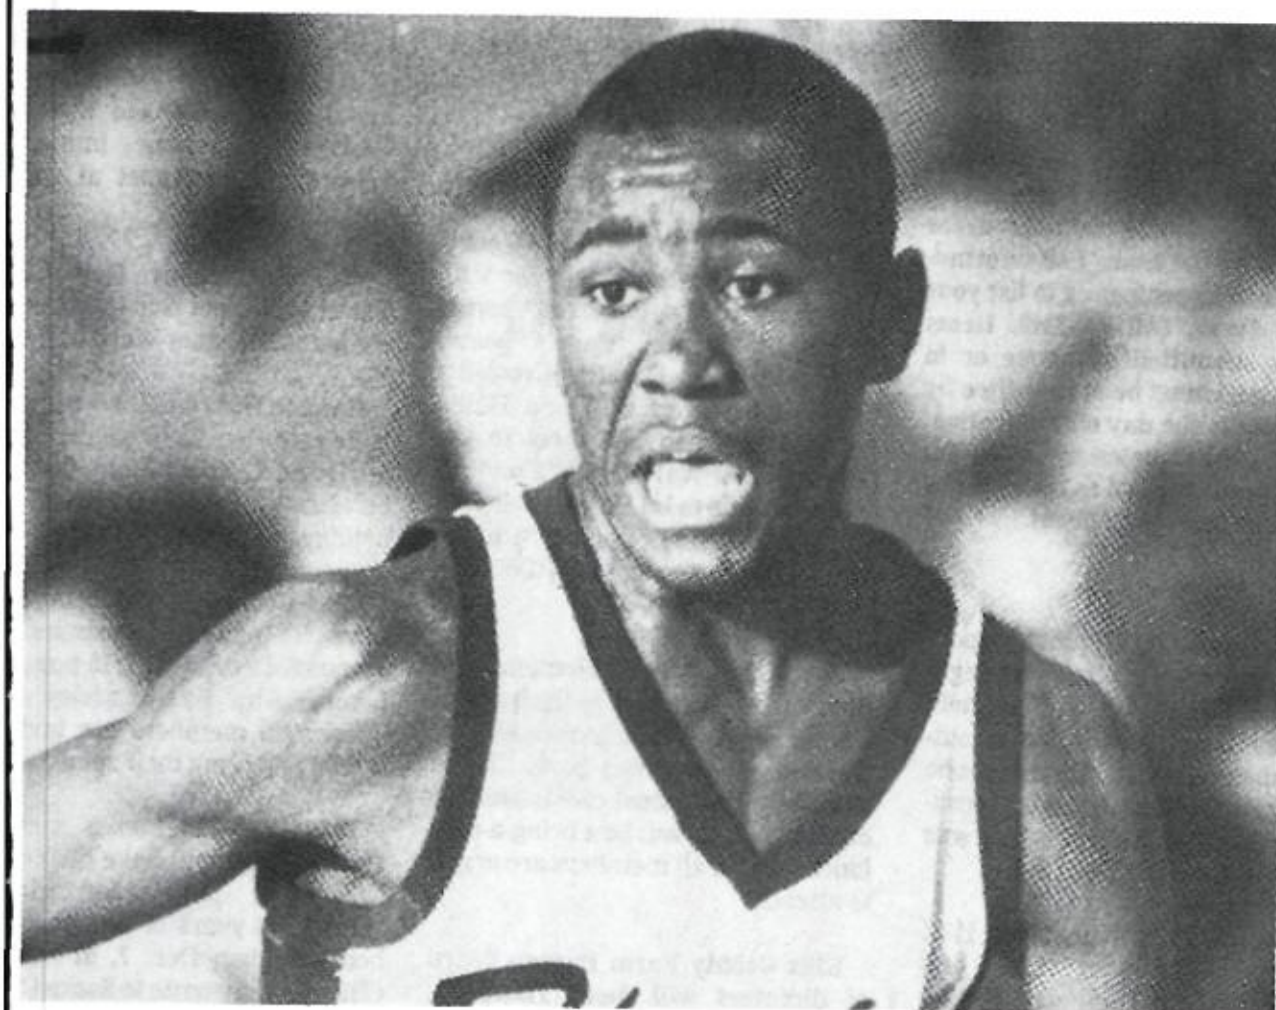

For the Running Indians this year was one of our most exciting yet. Finishing the season with a 5 win-5 loss District record, the Indians missed a playoff chance by just a few goals in the last game. Had they beaten Corsicana in this season finale, the Indians would have been locked in a three-way tie to be broken by a single coin toss (we all know about season-ender coin tosses from the '83-84 football season).

All was not lost, however. This season showed that with the guidance of Coach Nichols and the skill of eleven remaining juniors, this team will be ready for anything next year.

Not All Love Duce; All Love Winning

Tennis, a sport unnoticed by many here at WHS, is a serious business to the members of the Indian tennis team. Each year the team begins its season in the cold winds of early January and continue through to the hot sun of May. Throughout the season, the team practices every afternoon under the experienced direction of Coach Cynthia Williams. Each April, all the training is put to the test at the District tournament where hard work is always rewarded.

Fore! Make Way For The WHS Golf Team

The golf team finished the 84-85 season fifth in the Regional Tournament held at NTSU. John Kvale led the team with a two day total of 159. For his effort this year, Kvale was named the outstanding golfer of the W.H.S. Indian golf team. Other leading golfers were Kevin Six, Von Pigg, Scott Pleasants, Clint Fikes, and Cory Six. The team finished strong at several tournaments this year. They finished first at Keller and Grandbury, and had second place rounds at Waxahachie and the District Tournament held at Country Gold. Even though golf doesn't get the recognition it deserves, we are proud of our team and its great showing this year.

Running track is a sport that requires dedication. After practice some of the girls can be seen running around the track. With dedication like that, it is a wonder why the team isn't state champions. The girls that are in the field events are equally determined to go the distance.

Different Strokes Make Different Folks

Lookout Mr. T!

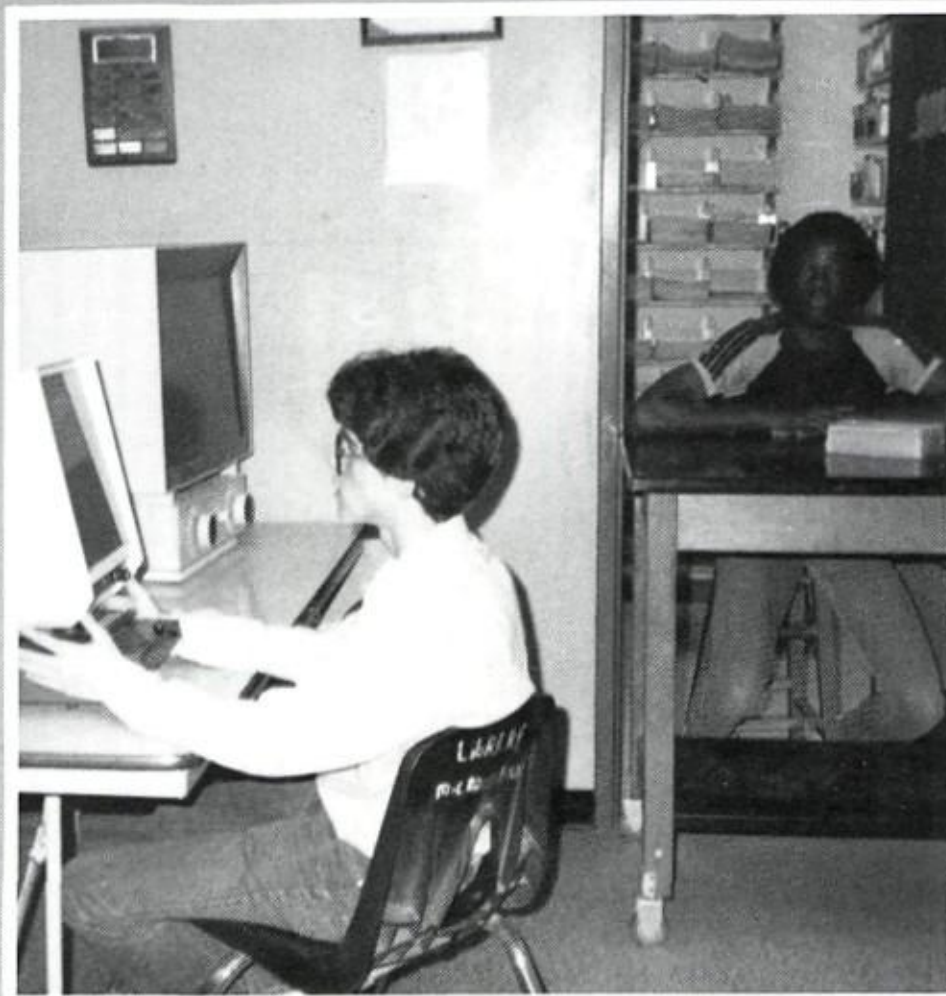

What? no guys!

Are these really football players?

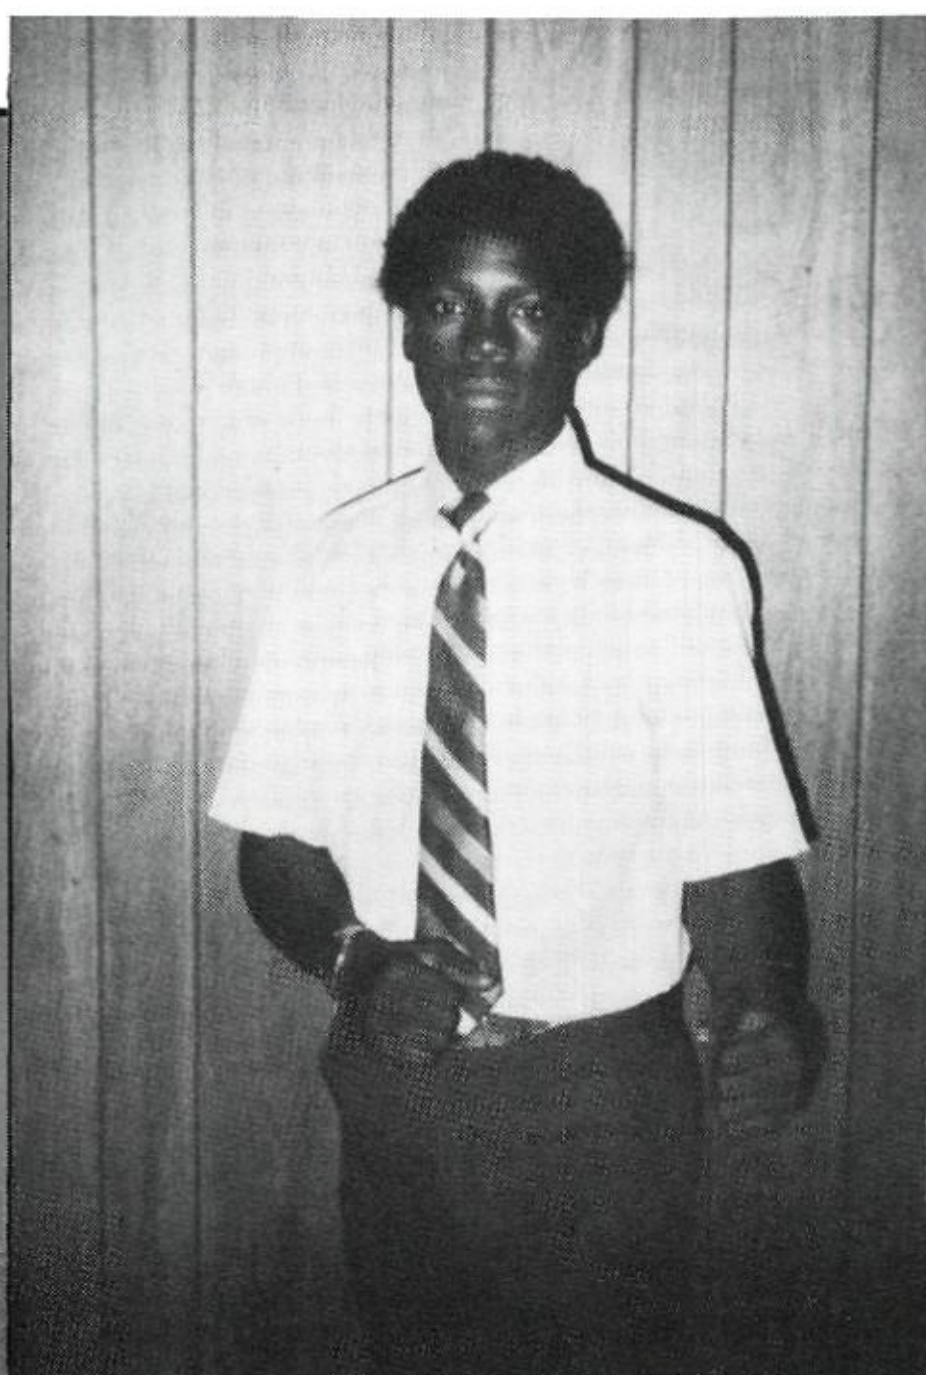

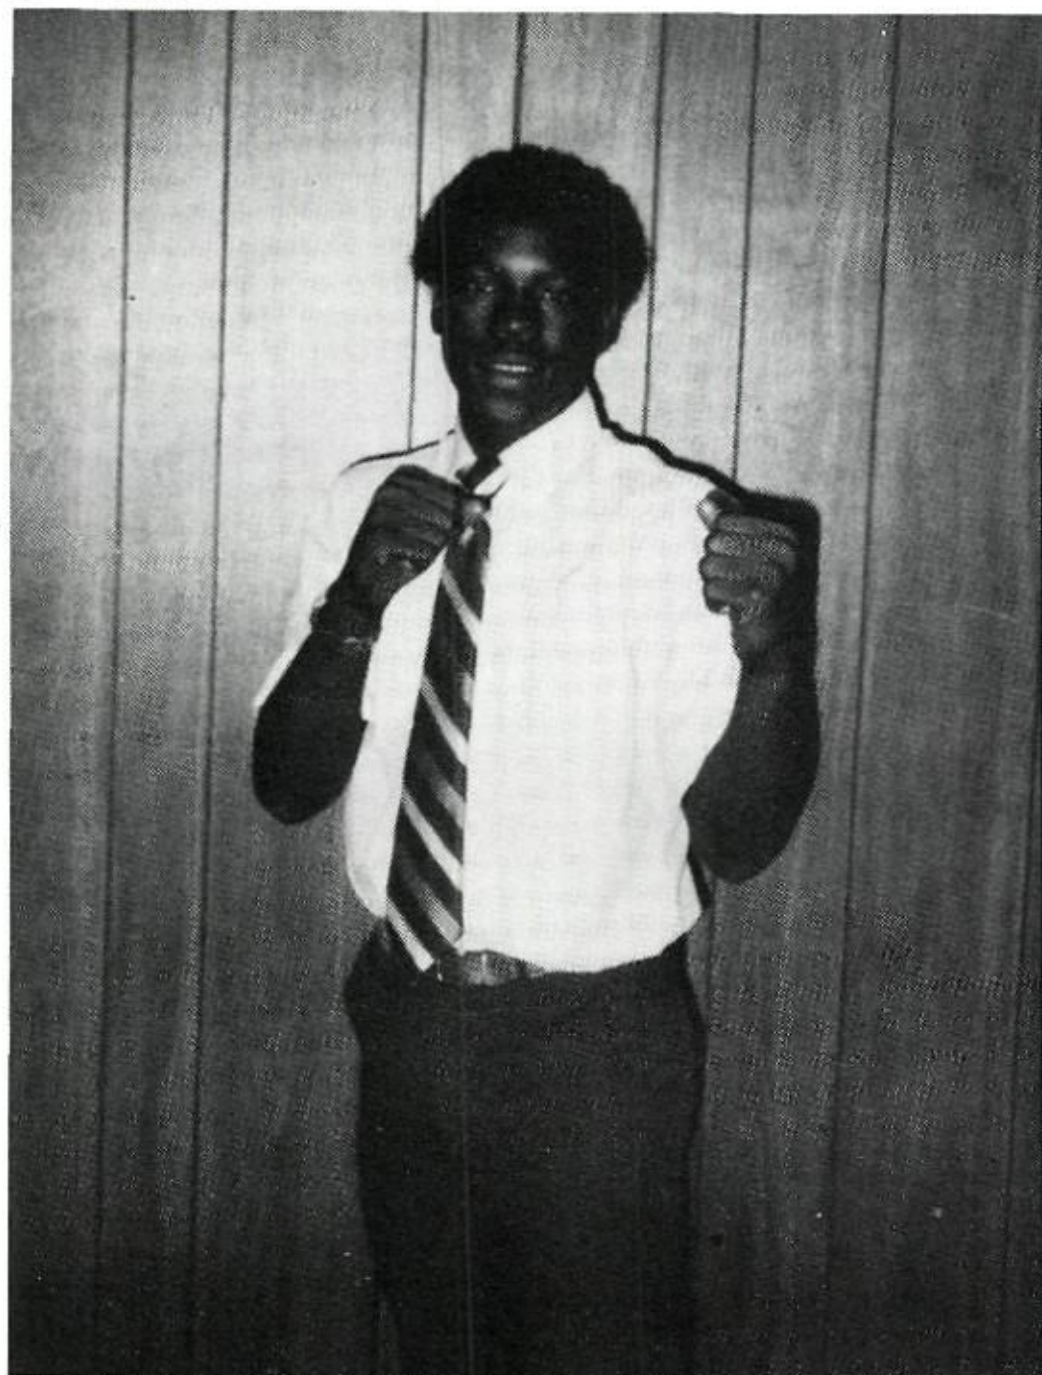

Many different personalities can be found at school, but that is what makes people unique. Some students actually use the library to study, while others goof off there and everywhere else. Others pay tribute to the past year of they just sit around and let the year pass by. These diverse personalities make up the complex world of the STUDENT.

No Larry, that isn't a computer, it is a microfish!

I look so pretty today!

Brooke Shields look out!

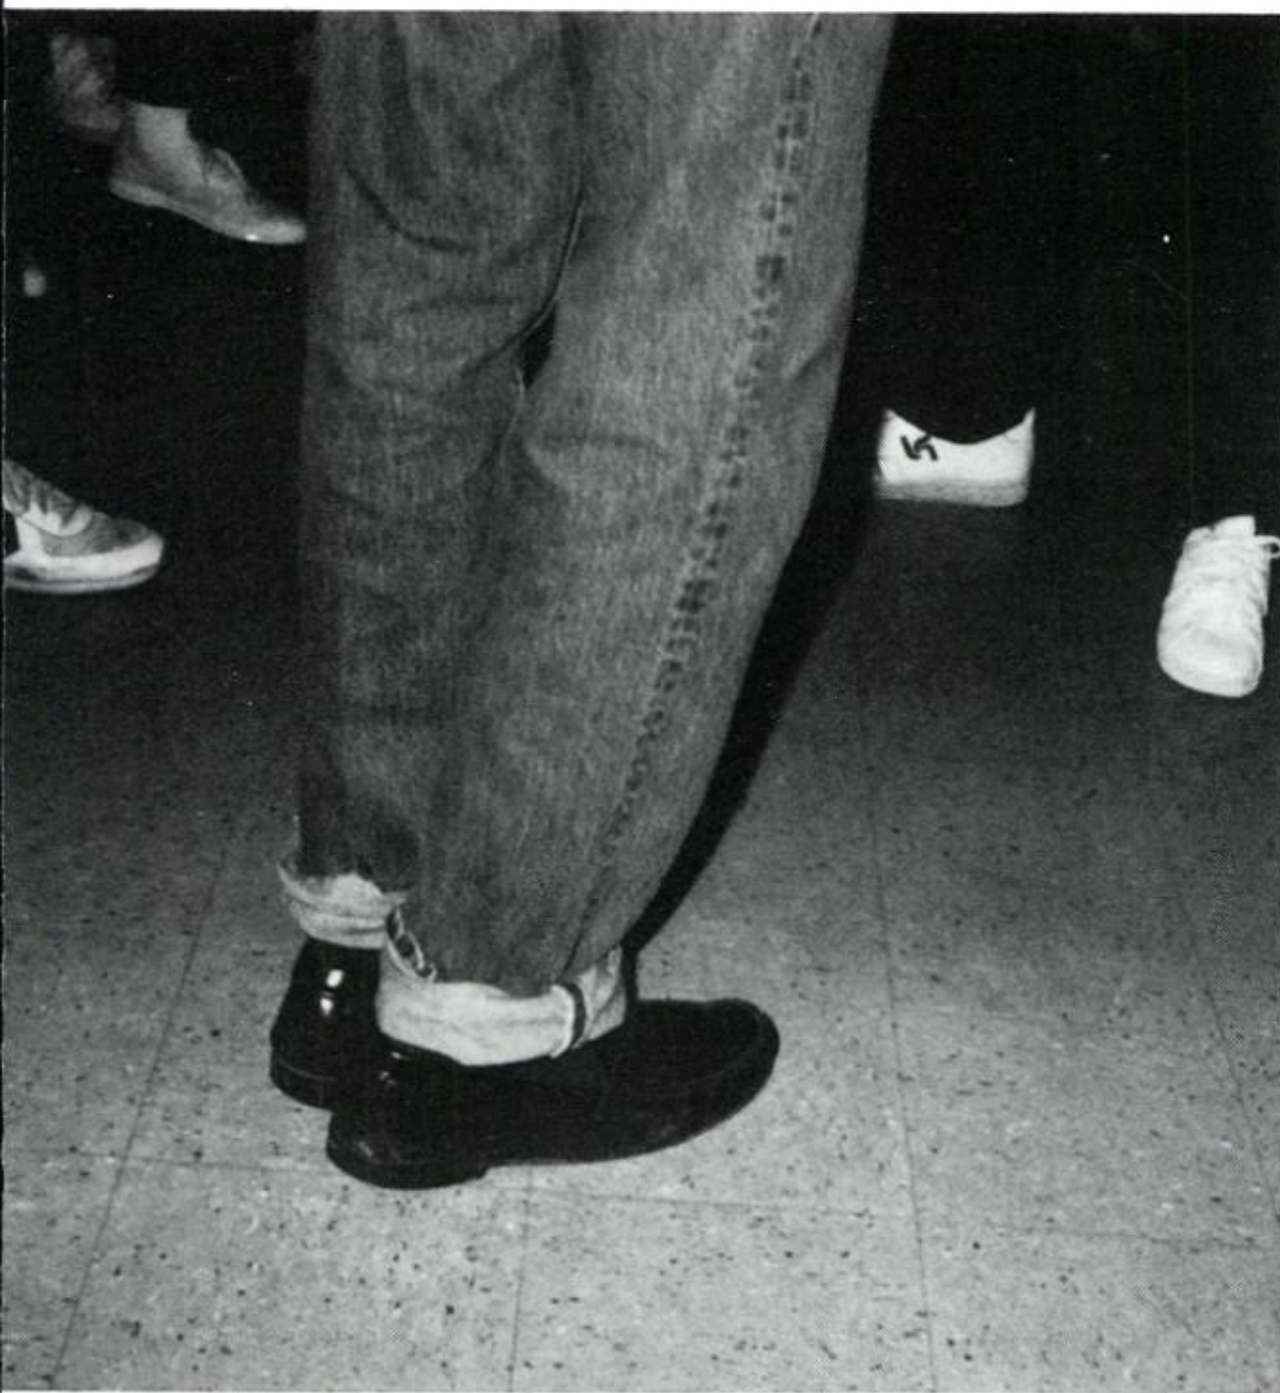

HE FIGHTS TO WIN ---- AND DOES!

Anthony Davis is a junior who has made boxing more than just a hobby. For the past three years he has competed in boxing matches all over the United States. Under the leadership of Champ Mitchell and Richard Pigg. This year alone he has won five medals to add to the eleven he already has. In the middle-weight Division held in Saginaw, Michigan, Anthony won a silver medal and in New Mexico, he won and brought home the GOLD! Anthony plans to turn pro after graduation

WHS Dances

The WHS dances are some of the best memories of high school years. Sometimes they can be pretty gloomy, for example, after a lost football or basketball game. The dances, called Pow Wows, are usually held at the First United Methodist Church. Other dances have been held in the school cafeteria, weight barn, and one was outside on the patio.

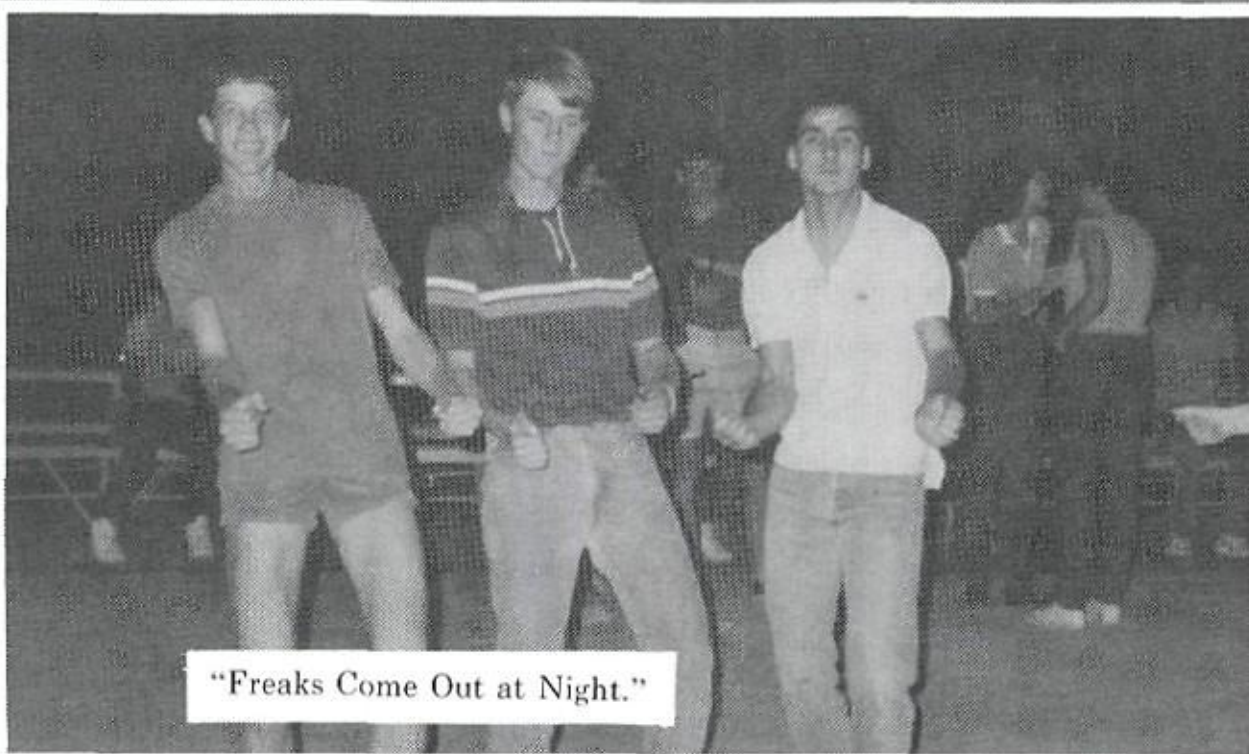

The music varied from **Whoudini** to **Madonna**. These artists have some of the best dancing songs. The favorite style of dance is the fast dance, however, some people enjoy slow dancing. Then there are the wall flowers who stand around waiting for someone to ask them to the dance.

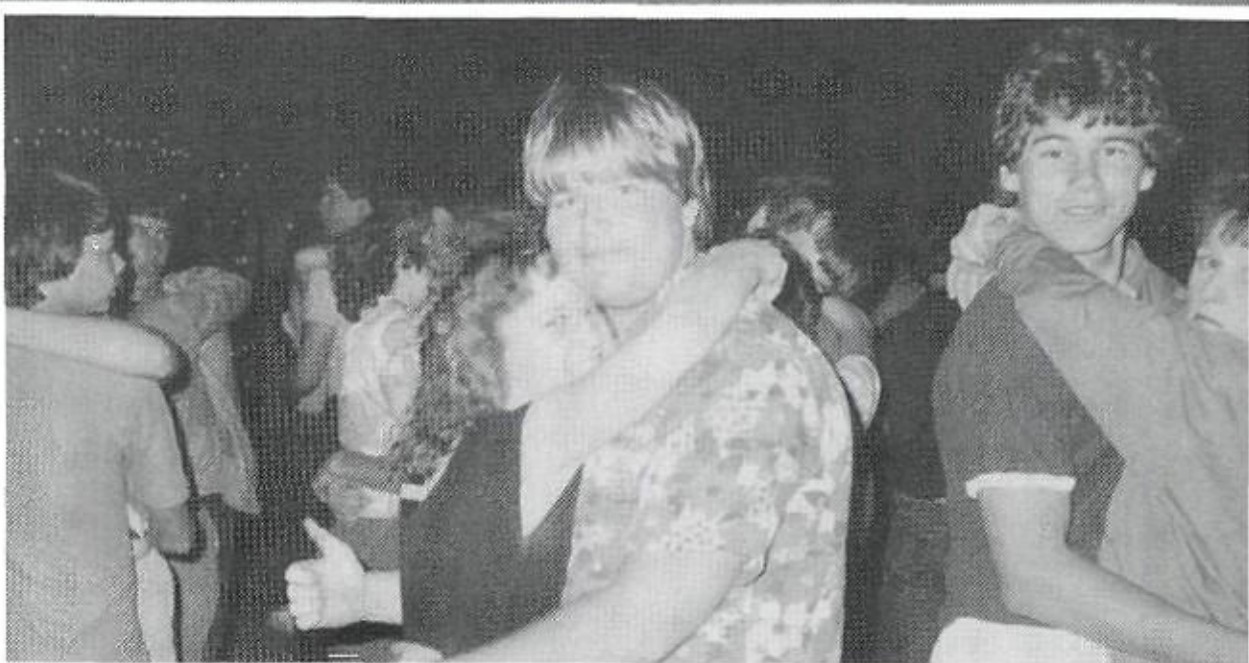

Rheanne and Jeff are doing "The Bird".

"Shall we dance?"

"Freaks Come Out at Night."

Chip likes to slow dance.

The 'Bob'

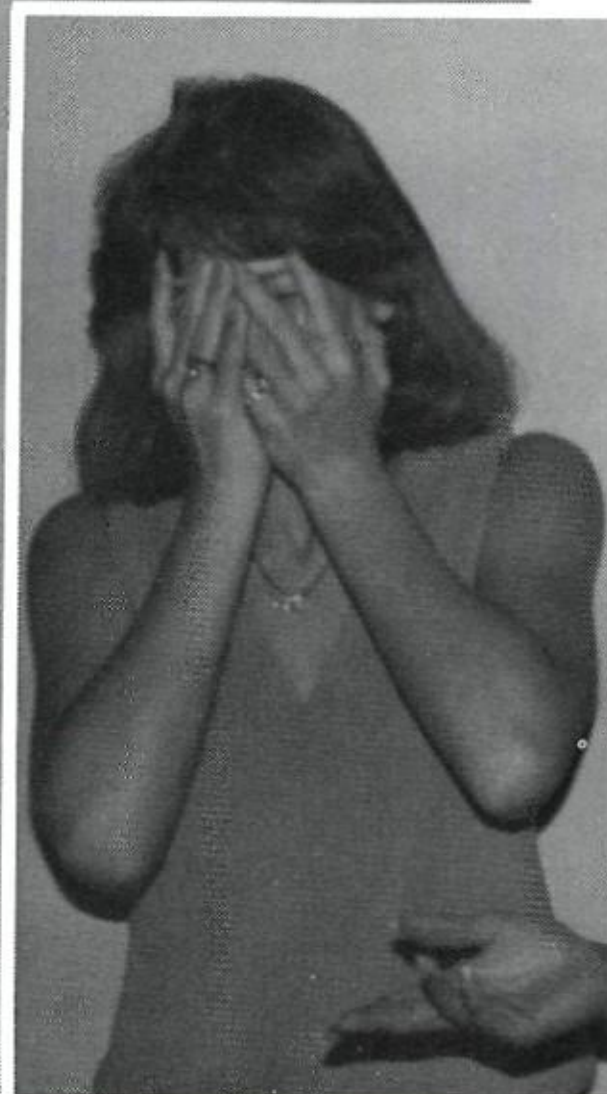

Hairstyles come and go, but one style that seems to have been around forever is the Bob. There are many different kinds of Bobs. Straight Bobs, original Bobs, and a new kind of Bob - the Swing. All of these Bobs can be seen on campus. Whatever you do, or wherever you go, do it in style with a **Bob**.

People with Bobs stick together.

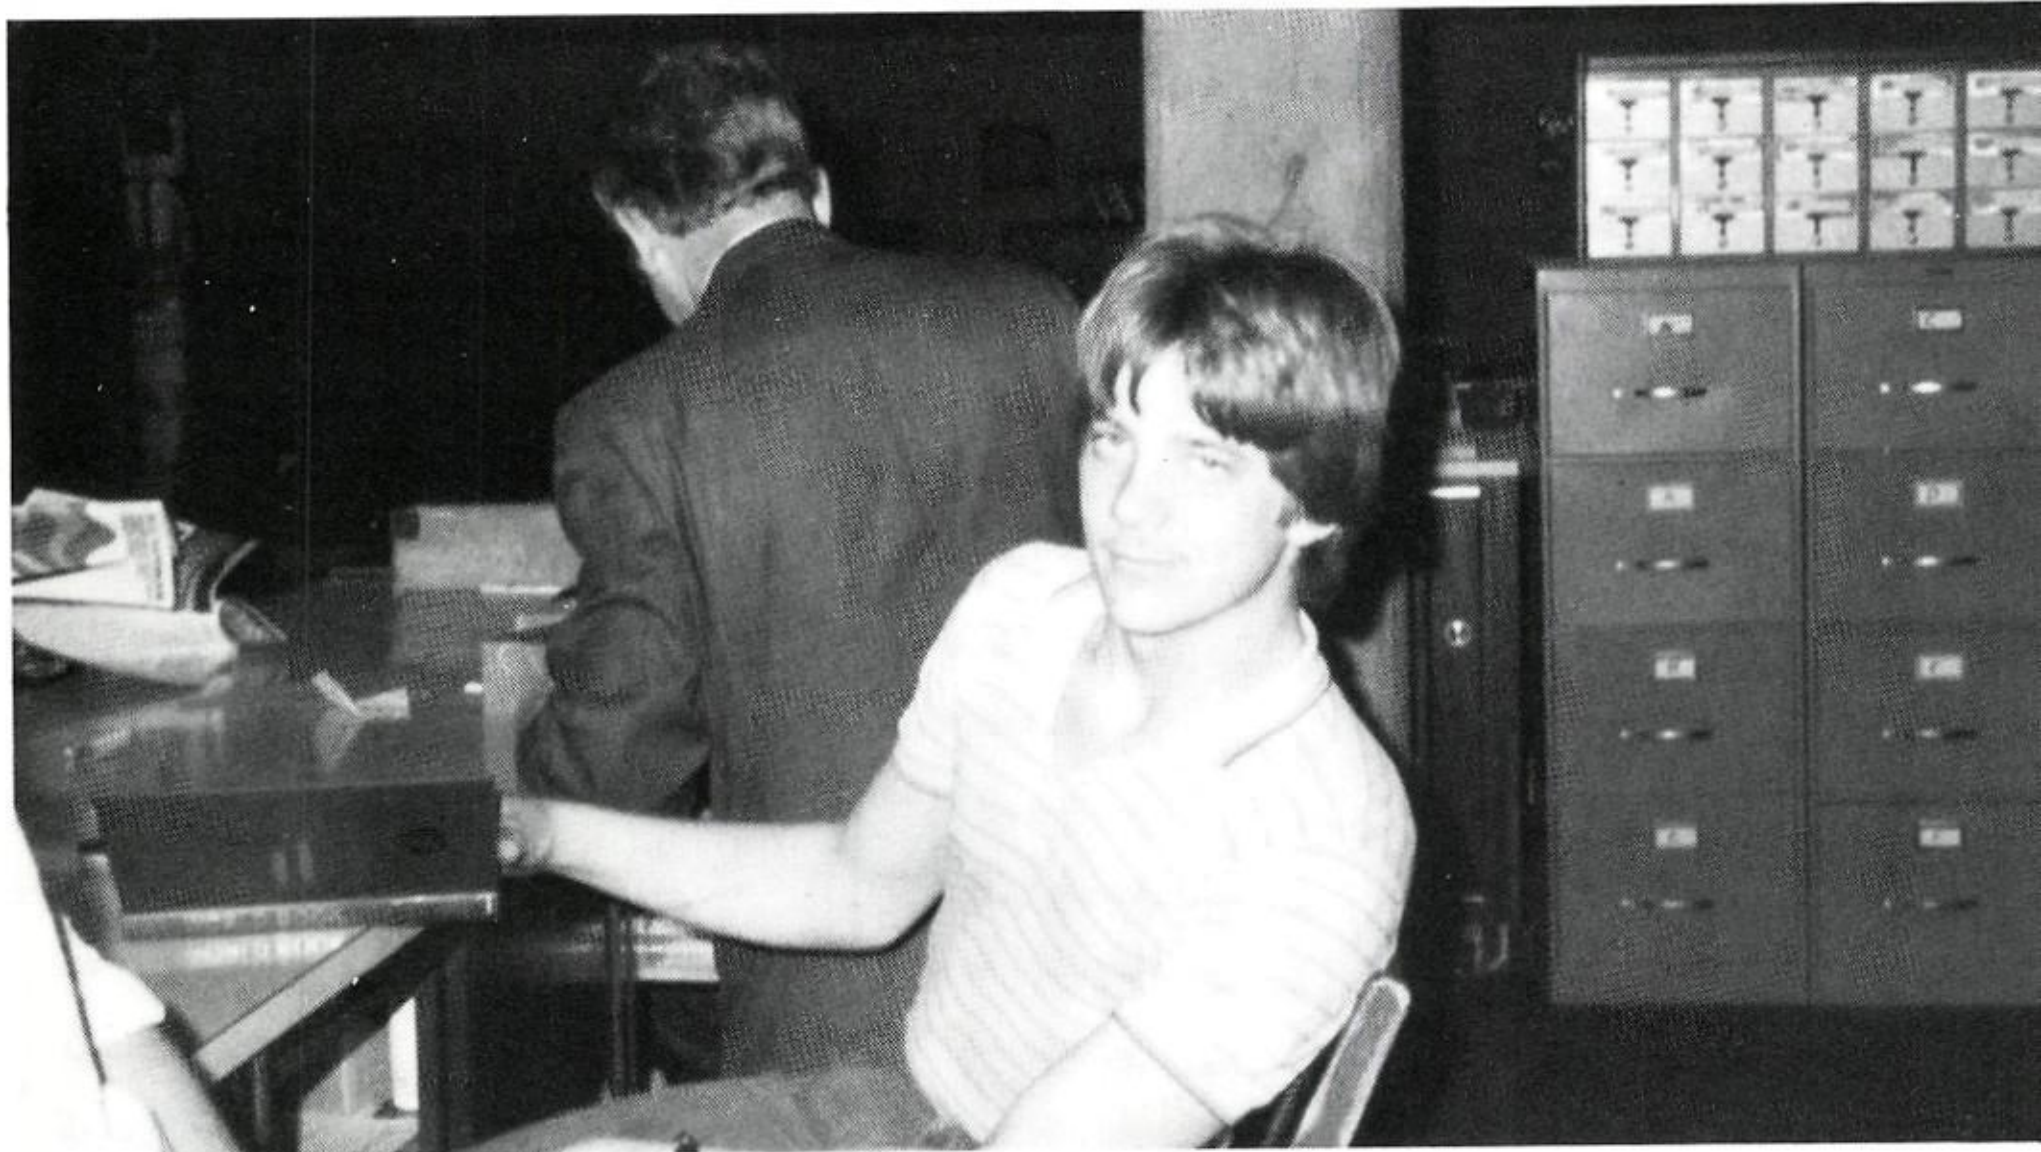

Guess who this Bob belongs to?

Laura's got a Swing.

The **Bobsy** twins.

Mark takes a break after listening to Mr. Cain.

Doubling The Homecoming

Bringing Home The Excitement

Homecoming becomes more exciting every year. There are Homecoming Queen nominees to elect and vote for, parades to attend, decorating the class halls, dancing at the annual Student Council Homecoming dance, and watching or participating in the Homecoming football games. When the time finally arrived at W.H.S., excitement was at its best. Two girls tied for Homecoming Queen, the first year ever! The Senior Class won first place in the hall decorating contest, and the Varsity football team took victory against Ennis at Homecoming. The Student Council Homecoming dance made a great turnout along with their annual parade. The 85-86 Homecoming was exciting and filled every high school student's mind with what Homecoming is really about.

Seniors take the prize for Homecoming spirit.

Hey kid, want some candy?

Double Homecoming Queens!

Where are the marshallows?

itting Bull, Jr.

Now girls, no shoving.

Two Queens???

Jana and Leanne are escorted off the field by Mr. Martin.

The 1984-85 Homecoming was truly something spectacular. Not only did we play our long time rivals, the Ennis Lions and win, but for the first time ever we had a tie for Homecoming Queen. The eight lucky girls were escorted on to the field by their fathers as the tension in the audience mounted. They were Glenda Boswell, Leanne Travis, Misti Winn, Kayla Adlof, Jana Chapman, Sandra Duke, Tiffany Mounce, and Andrea Brown. Then it was announced that Jana Chapman and Leanne Travis had tied for Homecoming Queen. The votes were counted several times, but there was no mistake. Two ladies would share the throne of Waxahachie Homecoming Queen!

Clockwise from top left corner: Glenda Boswell, Andrea Brown, Misti Winn, Jana Chapman, Kayla Adlof, Leanne Travis, Tiffany Mounce, Sandra Duke.

The National Honor Society is probably the most well-respected organization in the school. It is made up of the top Junior and Senior students based on their high academic achievement along with outstanding character, service, and leadership qualities. They work hard and set a good example for the rest of the school. Every member should hold his head high because it is definitely an honor to be in the National Honor Society.

Sr. Honor Students

LARRY BATES

I will attend the United States Military Academy at West Point. I plan to major in political science or economics. I'm most proud of being selected as Best All-Around Athlete and serving as President of the Fellowship of Christian Athletes.

-Larry Bates-

KAYLA ADLOF

I will attend Baylor University in the fall. There I hope to major in either law or sports medicine or someday make a lot of money. I'm most proud of being Co-Captain of the varsity cheerleaders and senior class president.

-Kayla Adlof-

KEVIN SIX

I will attend Texas Tech University and major in Architecture. I am most proud of receiving the Outstanding Draftsman Award for the past two years and being on the golf team that went to the regional playoffs this year.

-Kevin Six-

MARCO BONETTI

After graduating from Waxahachie High School, I will spend my next year in my five-year high school in Rome, from which I will graduate again in 1986. Then, I will attend either an Italian or an American college, depending on the amount of money that I will be able to use. I would love to at least spend some more time in the U.S.

-Marco Bonetti-

RANDY SARGENT

I'm going to attend Massachusetts Institute of Technology in the fall. I may major in Computer Science or Electrical Engineering. I am most proud of being the editor of the school newspaper.

-Randy Sargent-

JON REESE

I plan to attend Rice University where I'll probably major in Computer Science. I am most proud of not ever crashing Ferris at 11:00 on a Friday night and of my winning state in the TCEA computer problem-solving competition.

-Jon Reese-

In Trouble Again!

STEPHEN SMITH

My immediate plans for the future include attending Austin College in Sherman where I will major in political science in pursuit of law school. As a student at Waxahachie high School I am most proud of having the opportunity to represent the school both academically and athletically.

-Stephen T. Smith-

MISTI WINN

I plan to attend Baylor University and become an attorney. I am proud of being Co-Captain of the varsity cheerleading squad, but most of all, I'm proud of being a member of the Class of '85.

-Misti Winn-

RICHARD TURNURE

I plan to attend UT at Austin in the fall where I want to major in pre-law. I'm most proud of being named a National Merit Finalist.

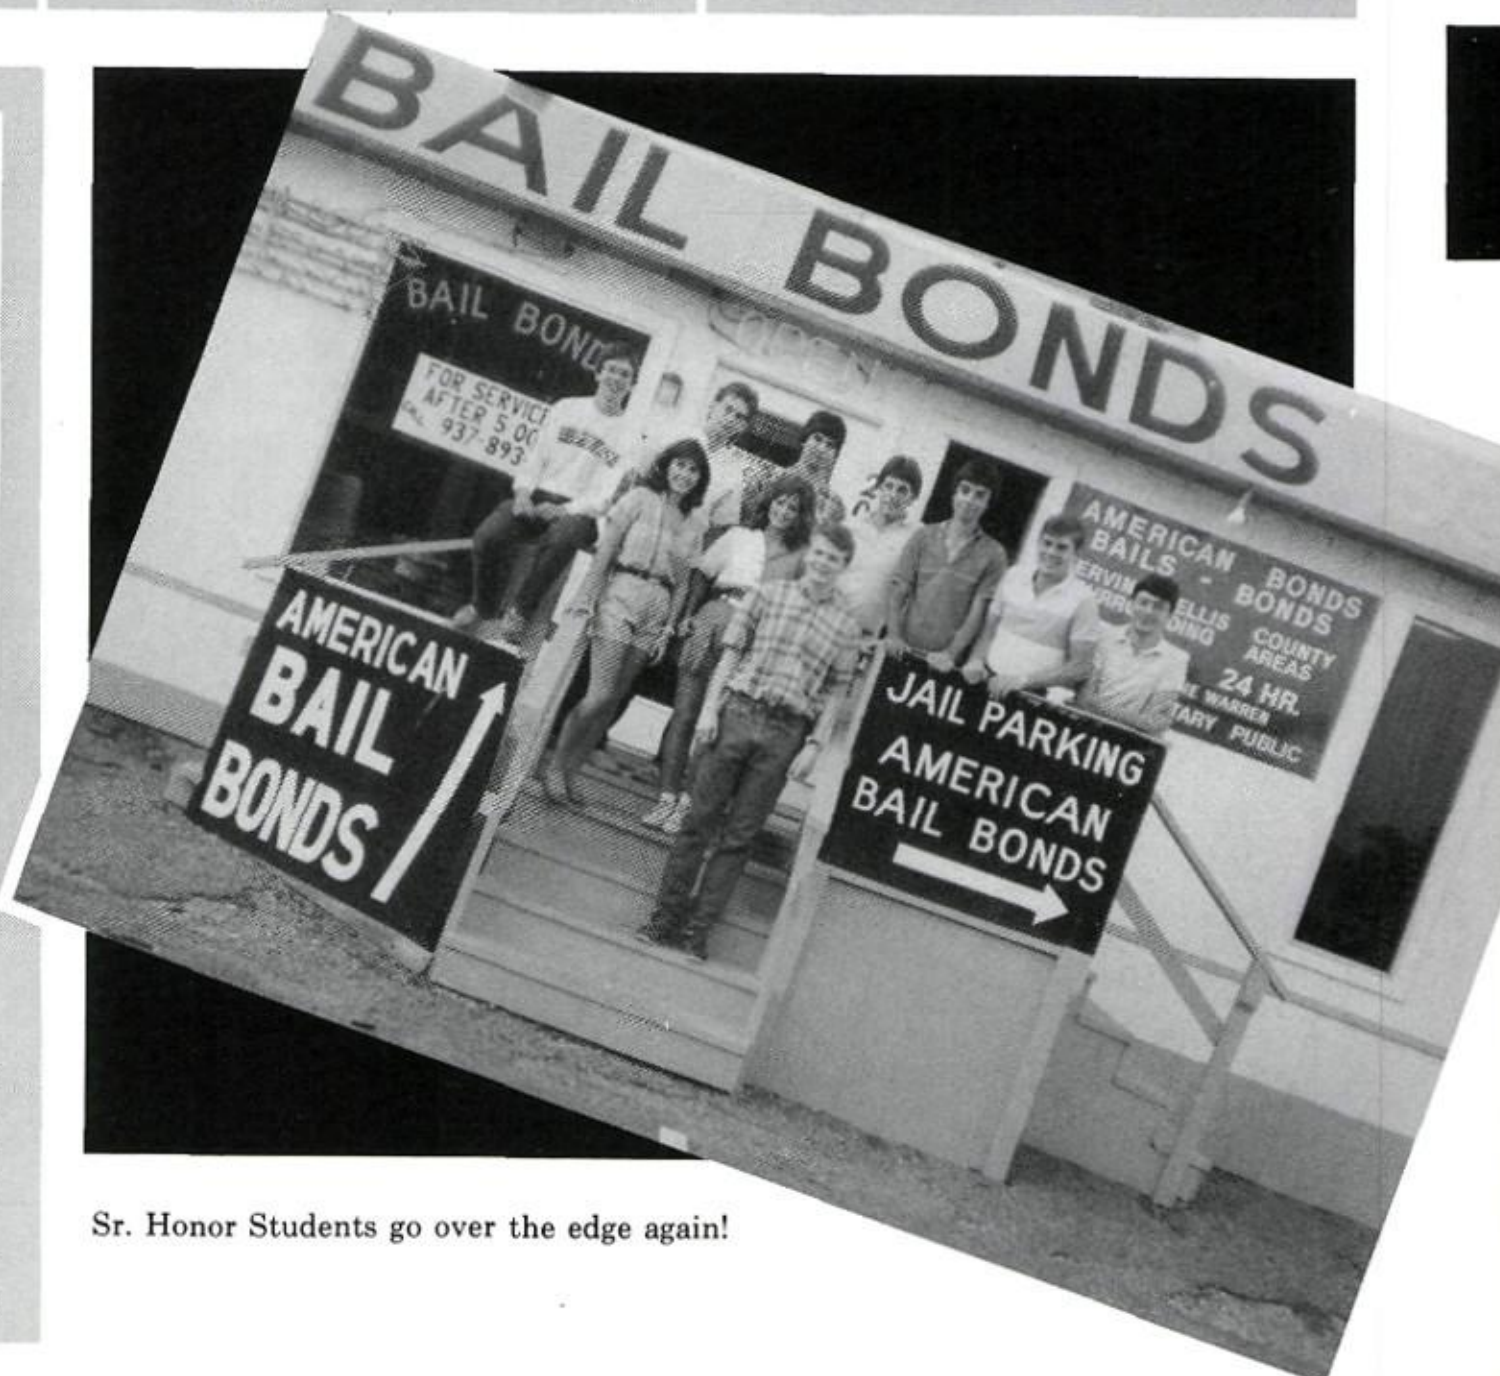

-Richard Turnure-

MIKE WHITE

I am going to attend S.M.U. where I plan to major in business law. I also have plans to attend the S.M.U. law school and later specialize in security exchange law.

-Mike White-

Sr. Honor Students go over the edge again!

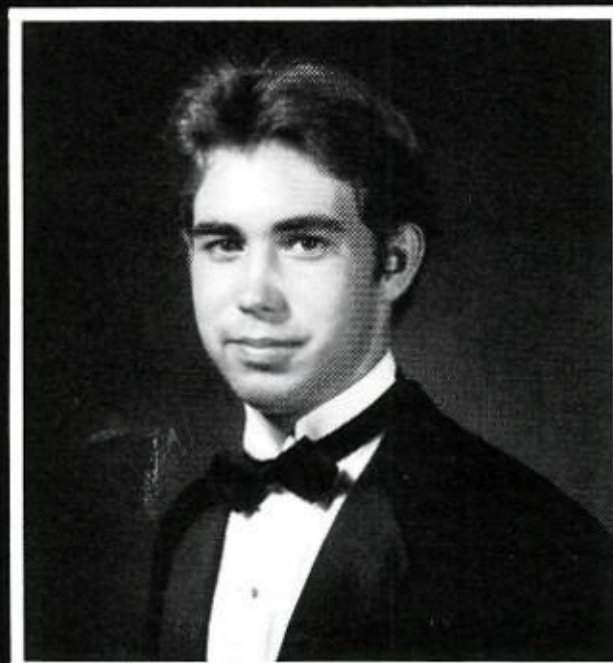

Mr. WHS

Chris Clem, Mr. WHS, is currently the mascot at Waxahachie High School. He moved to Waxahachie his Junior year and played football and was a member of the Spanish Club.

"Well, what can I say. I'm eighteen years old, 5'10", and 180 pounds. My hobbies are singing, hunting, fishing, bodybuilding, and girls. I plan on attending college at Belmont in Nashville. After graduating I plan to become a professional singer in the fields of contemporary Christian music. I'm very pleased that the students of WHS have chosen me as this year's Mr. WHS for this is a great honor. Thanks a million!"

-Chris Clem-

Mr. And Miss WHS

Kayla, along with Jeff Gardenhire, was nominated for best legs.

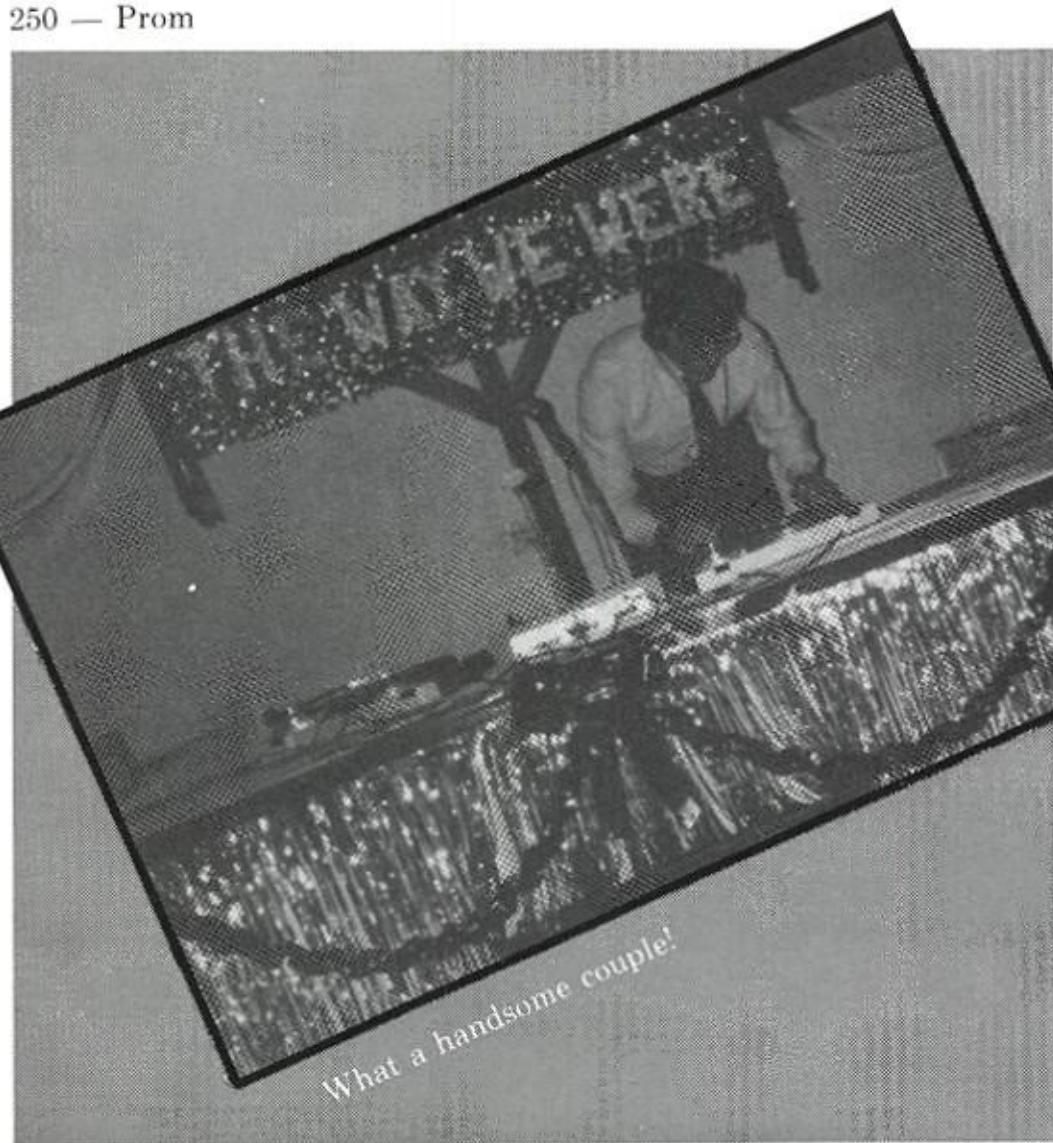

Chris and his band, Canon, performed in the gymnasium.

Miss WHS

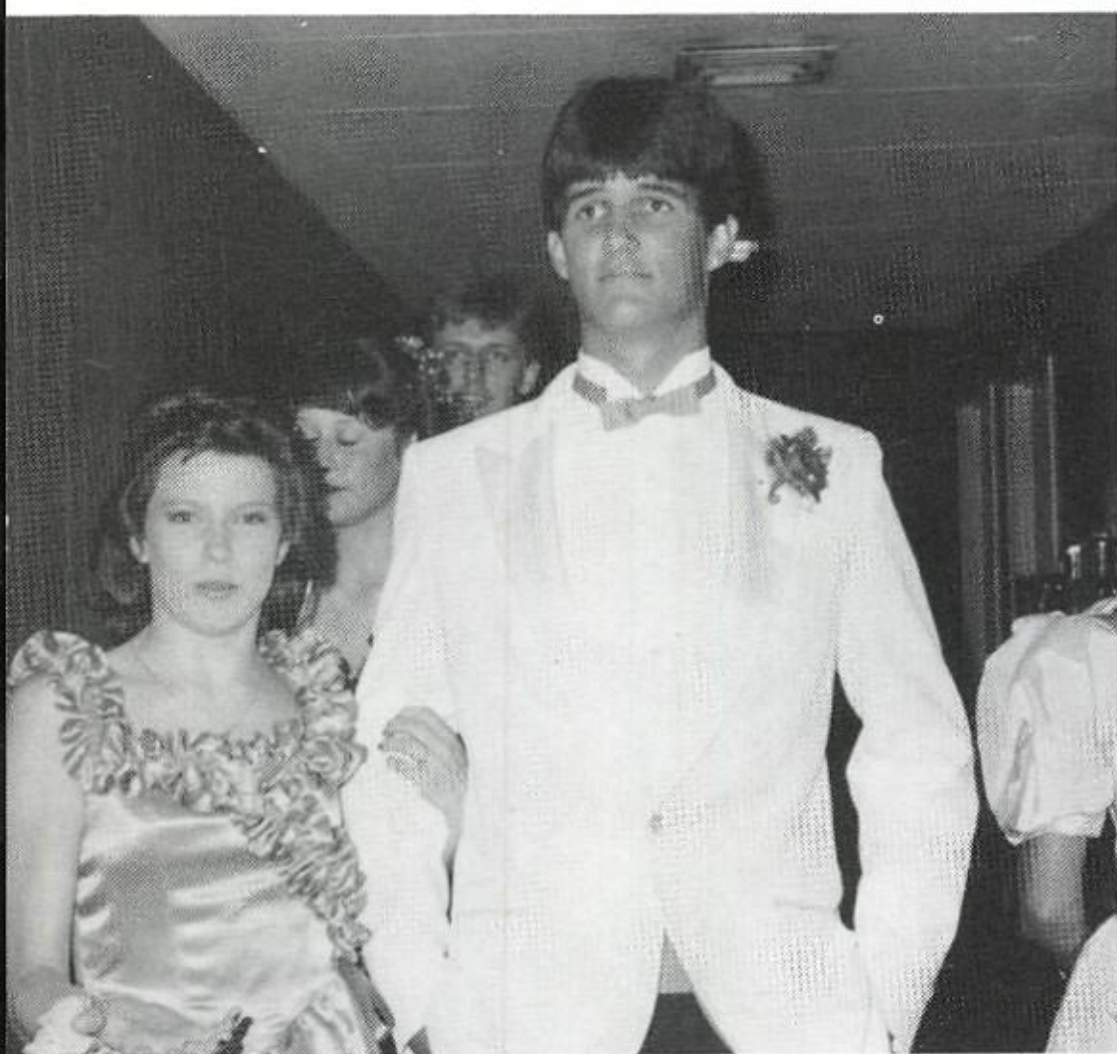

Kayla Diane Adlof, Miss. WHS, is currently Co-Captain of the Varsity Cheerleaders. She has been a cheerleader for three years and she has also been class favorite for three years. Kayla was President of her class both her Junior and Senior years. She received the Citizenship Award and is Secretary of the National Honor Society. She was also chosen as a Senior Honor Student. Kayla is very proud to have been chosen as Miss. WHS.

What a handsome couple!

Let's all do the Cotton-Eyed Joe!

A Night To Remember

The Senior class of 1985 would like to express their deep appreciation to the Junior class for this year's prom. From the decorations, to the punch, to the music, it was a fantastic NIGHT TO REMEMBER!

1985 prom King and Queen, Larry Bates and Beth Banks.

Randy Sargeant was named Valedictorian. Larry Bates was named Salutatorian.

The lone senior.

Class Of 1985 . . .

It has been said that one's life passes before one's eyes just before death. This is also true just before the graduate receives his diploma.

On May 24, 1985, the Class of '85 shared the fears of the future, tears for the past, and kleenex for the present. As the memories soared from person to person, from year to year, each graduate remembered their first day of school and tried to deal with their memory of the last day.

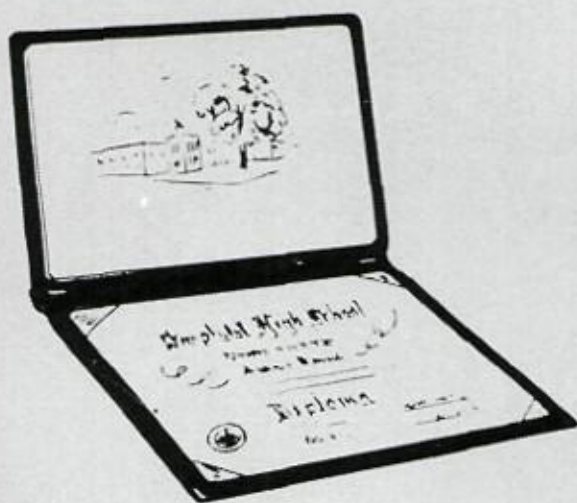

We gathered together at the end of the hall and sang our Alma Mater for the last time. As we walked away from twelve years of friendship, the underclassmen, our friends watched us go from the past to the future with a tear in their eye. Even though we've gone, our voices will still echo through the halls, and our memory will linger in WHS forever.

"Memories, may be beautiful and yet,
What's too painful to remember
We simply choose to forget.
So it's the laughter we'll remember,
Whenever we remember
The Way We Were."

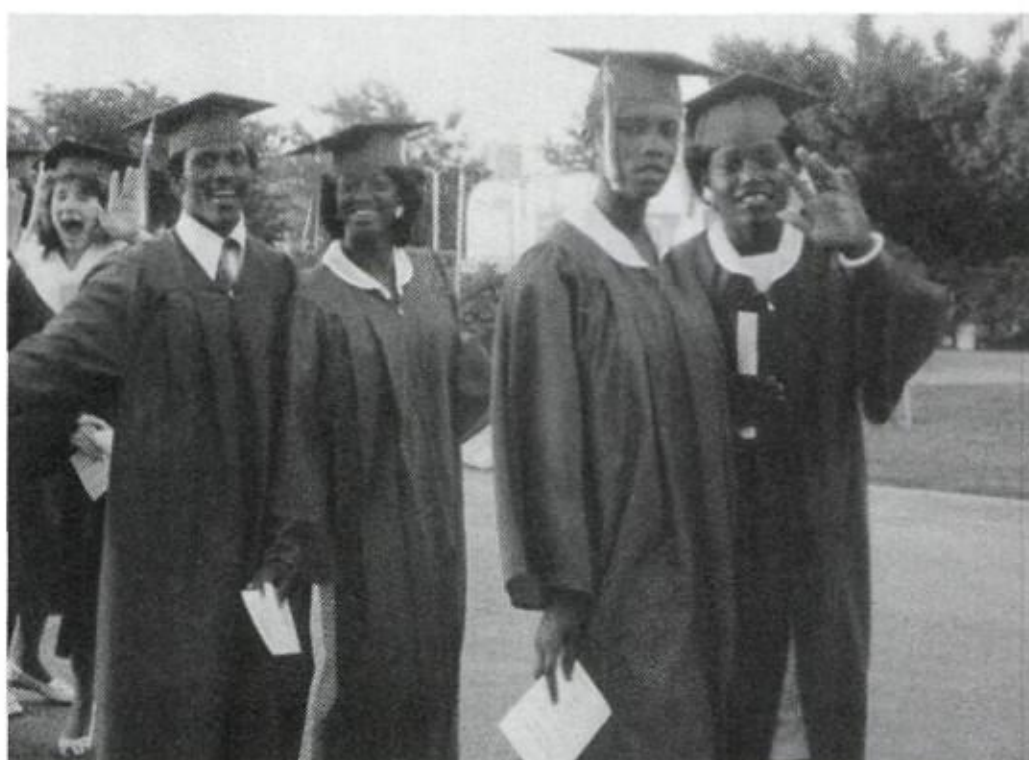

As the class of 1985 goes forth to greet the world,
we will remember forever,

The Way We Were!

*Love,
Jamie*

John Dowd,

Four More Years!

Mondale's campaign left a bad taste in the public's mouth. He promised the nation that he would raise taxes and that President Reagan would never be able to maintain his oath not to raise taxes. Mondale tried to win the votes of every minority and special interest group, and destroyed his chances of getting the vote of the majority groups. His choice of Geraldine Ferraro as the first female, and the first Italian-American Vice-Presidential candidate got Mondale into the history books, but farther away from the Presidency. People felt that the uncharismatic and often boring Walter Mondale was being carried by the aggressive Geraldine. In the end, the weight proved to be too much. The beating Mondale took from Gary Hart and Jesse Jackson in the Democratic primary and from President Reagan, was more that any candidate can take and win.

Throughout his campaign, Ronald Reagan asked the American voters the same question; "Are you better off today than you were four years ago?" The question was answered on November 6th with a resounding, "YES" ..

Band Marches To A Different Tune

Banquet Is Another Success

On May 17, 1985 at 7:00 p.m. the band banquet began. The president of the band, Sarah Kennedy began her opening speech and seniors willed slots and instruments to the lower bandmen. Many awards were given to the outstanding band students. New officers for the 85-86 year were announced and also assistant drum major. The banquet made quite a success and each band member felt a sense of new friendship and closeness that being in the band provides.

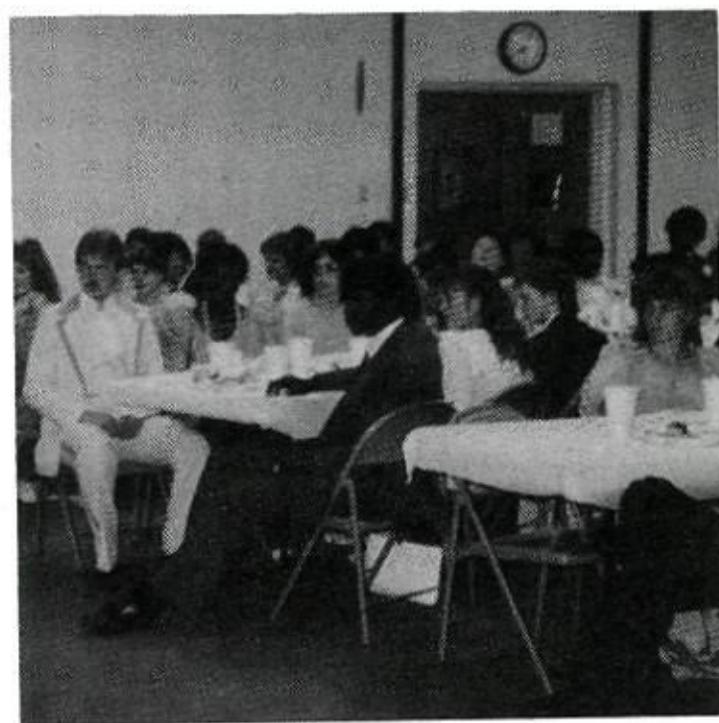

Sarah tells the latest band gossip.

Jennifer interrupts with a commercial break.

Dawn tells all.

Dale gives his full attention to the floor.

Me, of sound mind?

Amateur Chemists Take Pride In Their Work

s. Aday hides from her class.

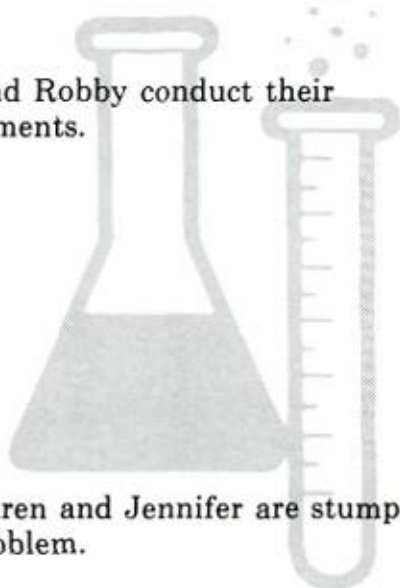

Chemistry is a fascinating subject in school. Where else can you find out about KClO_3 and the use of wood in chemical experiments? It's an exciting world and its teacher is a great person. Mrs. Kathryn Aday, come on down! Mrs. Aday, who's been teaching chemistry at WHS for 5 years, is one of the schools most favorite teachers. Fearless, witty, and a bit overbearing, Mrs. Aday continues her ongoing war against "Chemical Ignorance." With her motto, "More is better," Mrs. Aday conducts her experiments, and though most of them fail, the ones that turn out are really spectacular sights to see. And even though the work is plentiful, and sometimes difficult, the class generally has a good time.

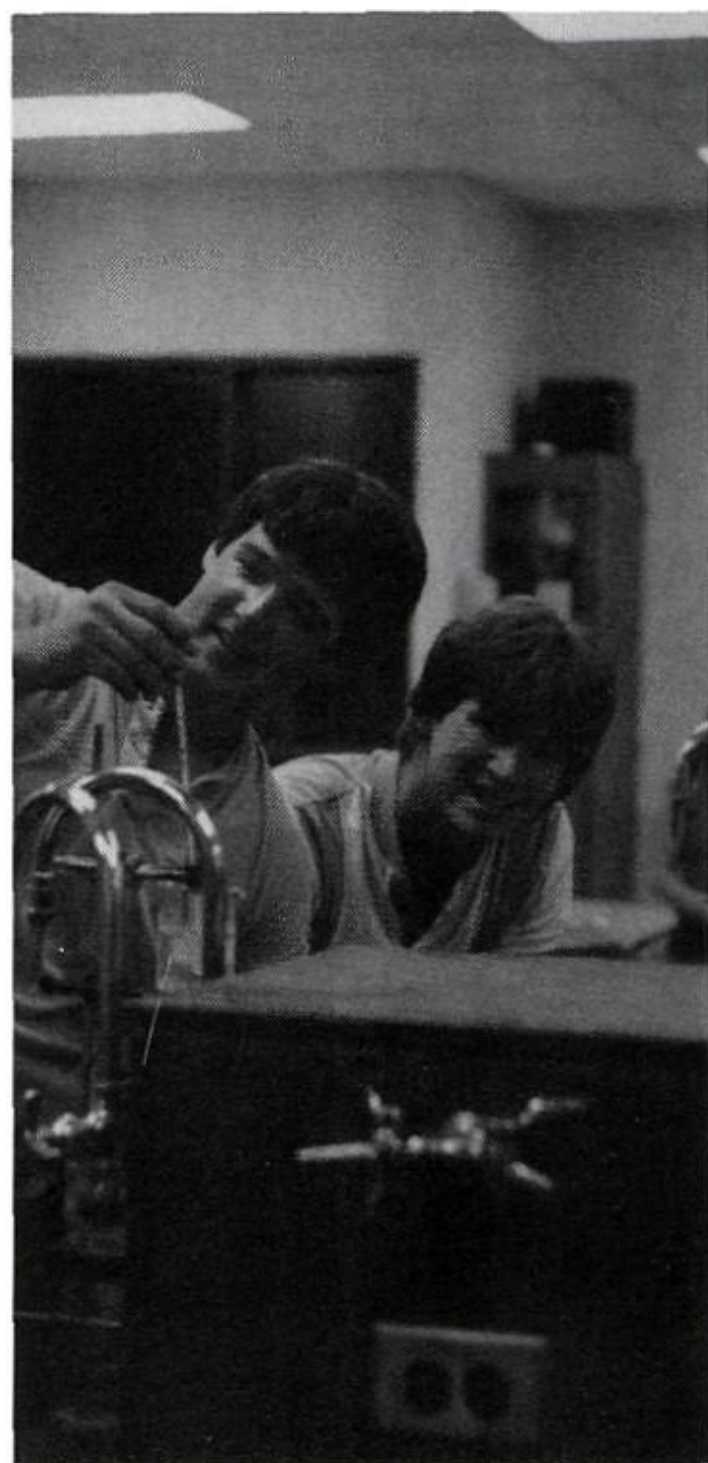

Leigh has been in the chemicals again.

Jeff and Robby conduct their experiments.

Karen and Jennifer are stumped on a problem.

Miss Waxahachie

Ride Em Cowboys

Firmed jawed, hard riding guys and gals make up the Rodeo Club. These riders risk life and limb for the thrill of victory. "We're talkin' some serious fun here." Club members spend hours practicing roping, barrel racing and bareback riding to prepare for the annual riders.

WHS Gets A Face Lift

The making of Waxahachie High School.

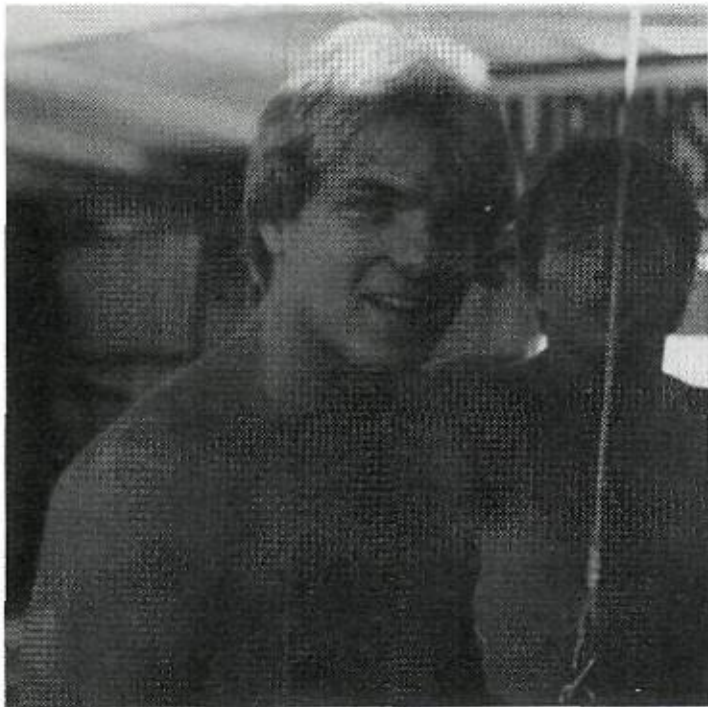

The students and faculty have lived through a lot of construction work this past school year. But the cumulation of all the working and building is going to be worth it. Thanks to our school board we now have a whole new wing that will house the English department and Foreign Language.

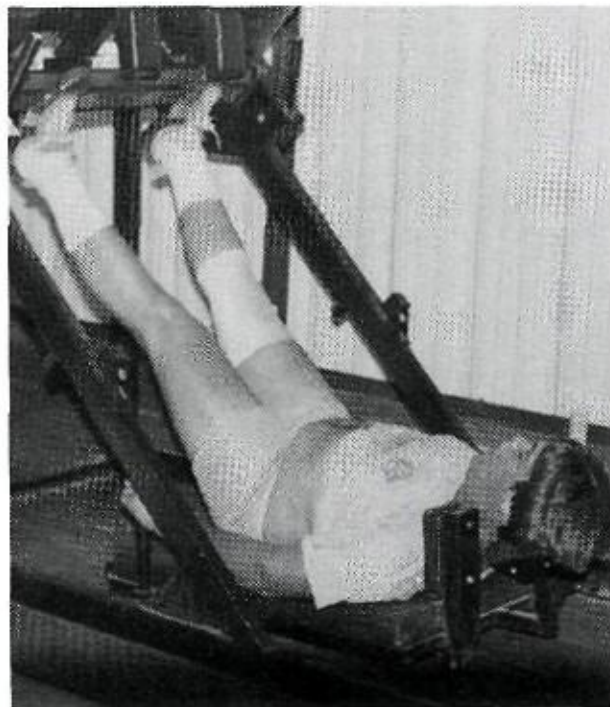

This is Mr. No mans room.

Mrs. Davis you've got to control your temper.

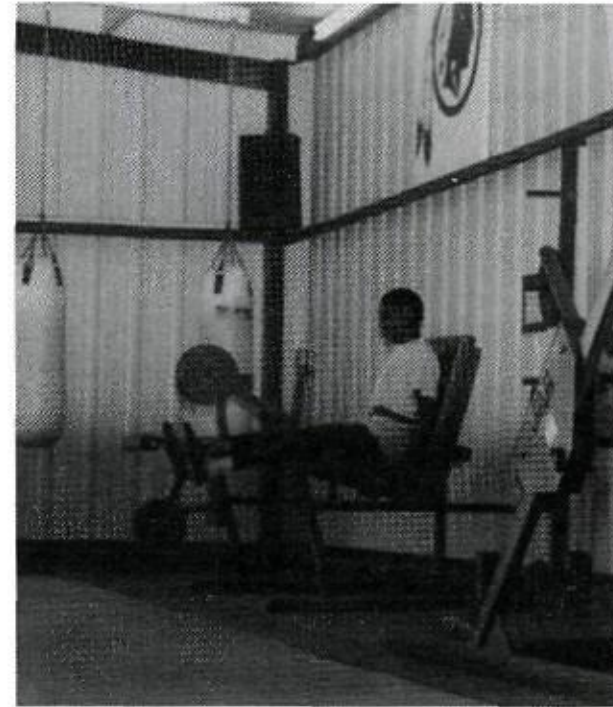

What A Weight To Go

Now this is a cinch!

Jane Fonda's workout is tougher than you thought, huh?

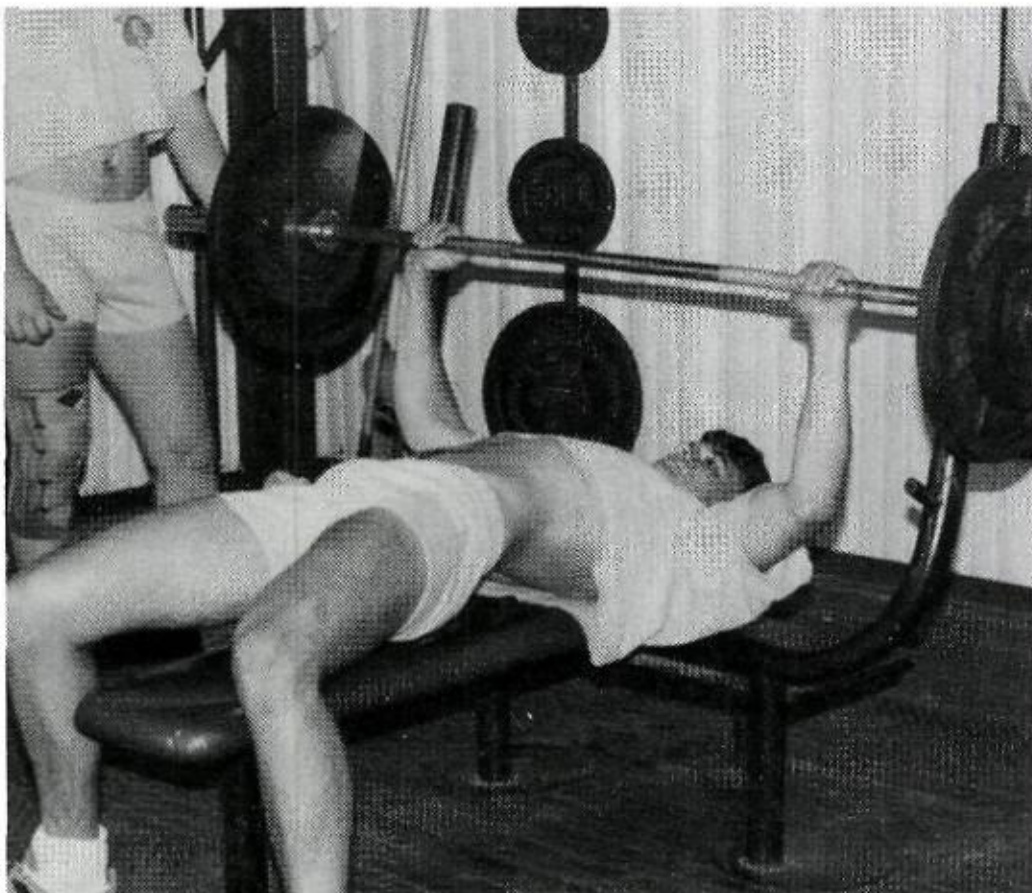

I'll pretend I'm really working out.

Lifting Their Spirits

After a good football season is over, what else is there to do but lift weights? Lifting weights gives a good workout to the football players and keeps them in shape for the next football season. Their tummies get trimmed and muscles get thickened, what better way to start off a season, and from the looks of these pictures, it's paying off.

I didn't mean it Jeff, really, I'm sorry.

2001, 2002, 2003 ...

I dare ya to knock this off.

Scholarship Night, A Proud Affair

Andy Sargent receive all math and science awards.

Von Pigg is given the Paul Lockman Debate Award.

Larry Bates hugs Mrs. Devore with a Citizen Award.

A Chance The Students Deserve

The awards were recieved May 9, 1985 and it was a proud affair. The seniors were honored as well as the other grades. Teachers and committee leaders presented the awards to the students for their academic excellence. Awards varied from perfect attendance, humanities awards, fine art awards, business and vocational awards, mathematics and science awards, leadership and citizenship awards, and general academic scholarship awards. The scholarship night gave every student who worked hard this school year the chance they really deserved.

Spanish Club award for Excellence is given to Kristi McLane.

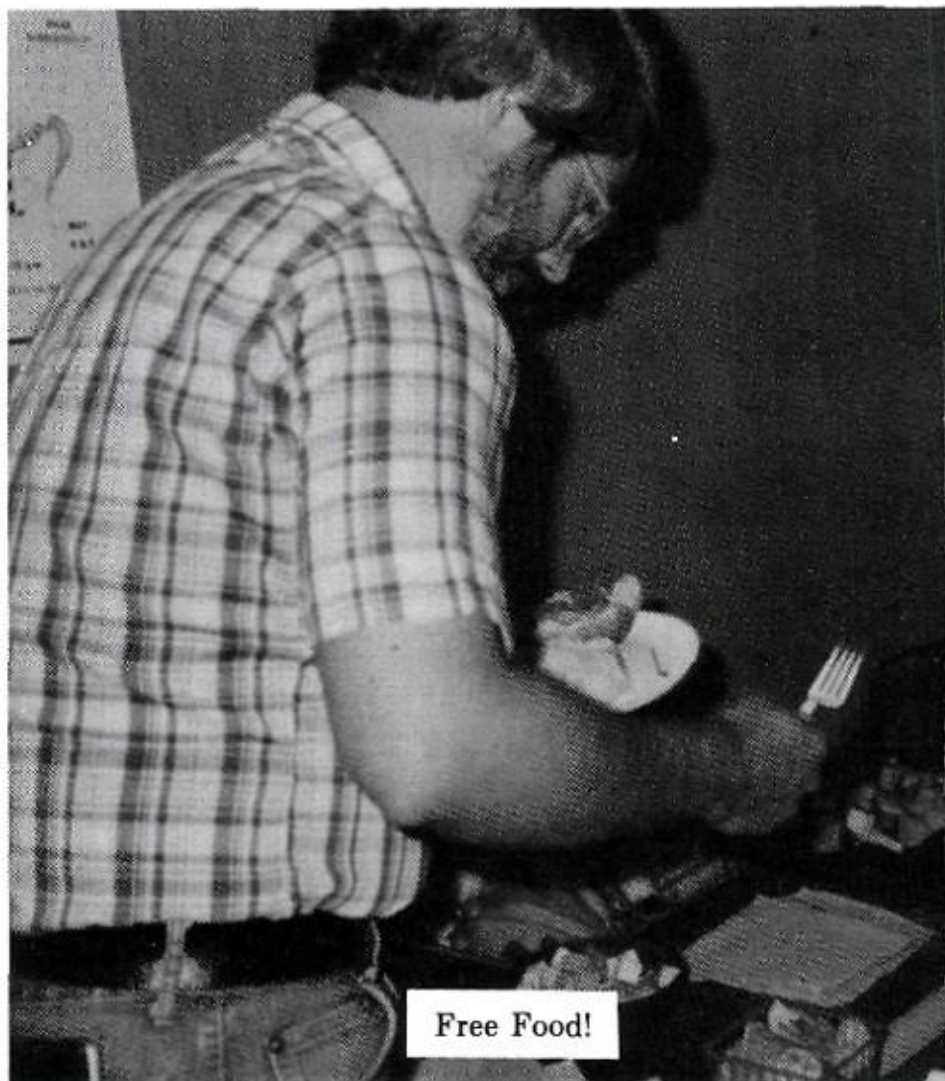

Awarded by W.C. Bynum for World History is Melinda Bratcher.

One more year is over. Tears are cried and goodbyes are said, only to make way for new faces. Many memories were stored over the past year for everyone. There are the memories of classes, friends, teachers, dances, and games. Not all of these can be expected to be happy but as time proceeds, the bad memories will be forgotten and only the pleasant ones will remain. High school is one of the most exciting times in a person's life and thanks to these stored memories, it can be remembered forever.

Congratulations Randy!

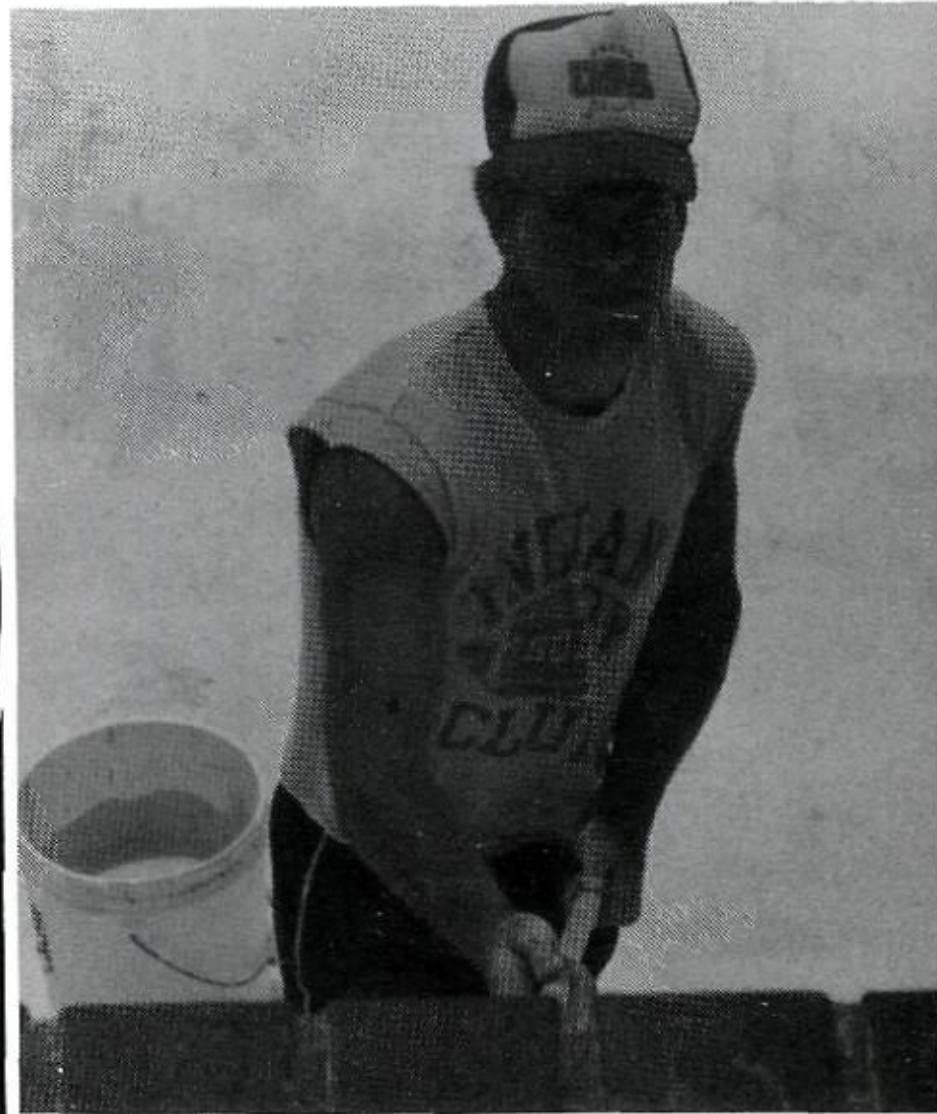

Look at those rippling biceps!

Watch out for man eating plants!

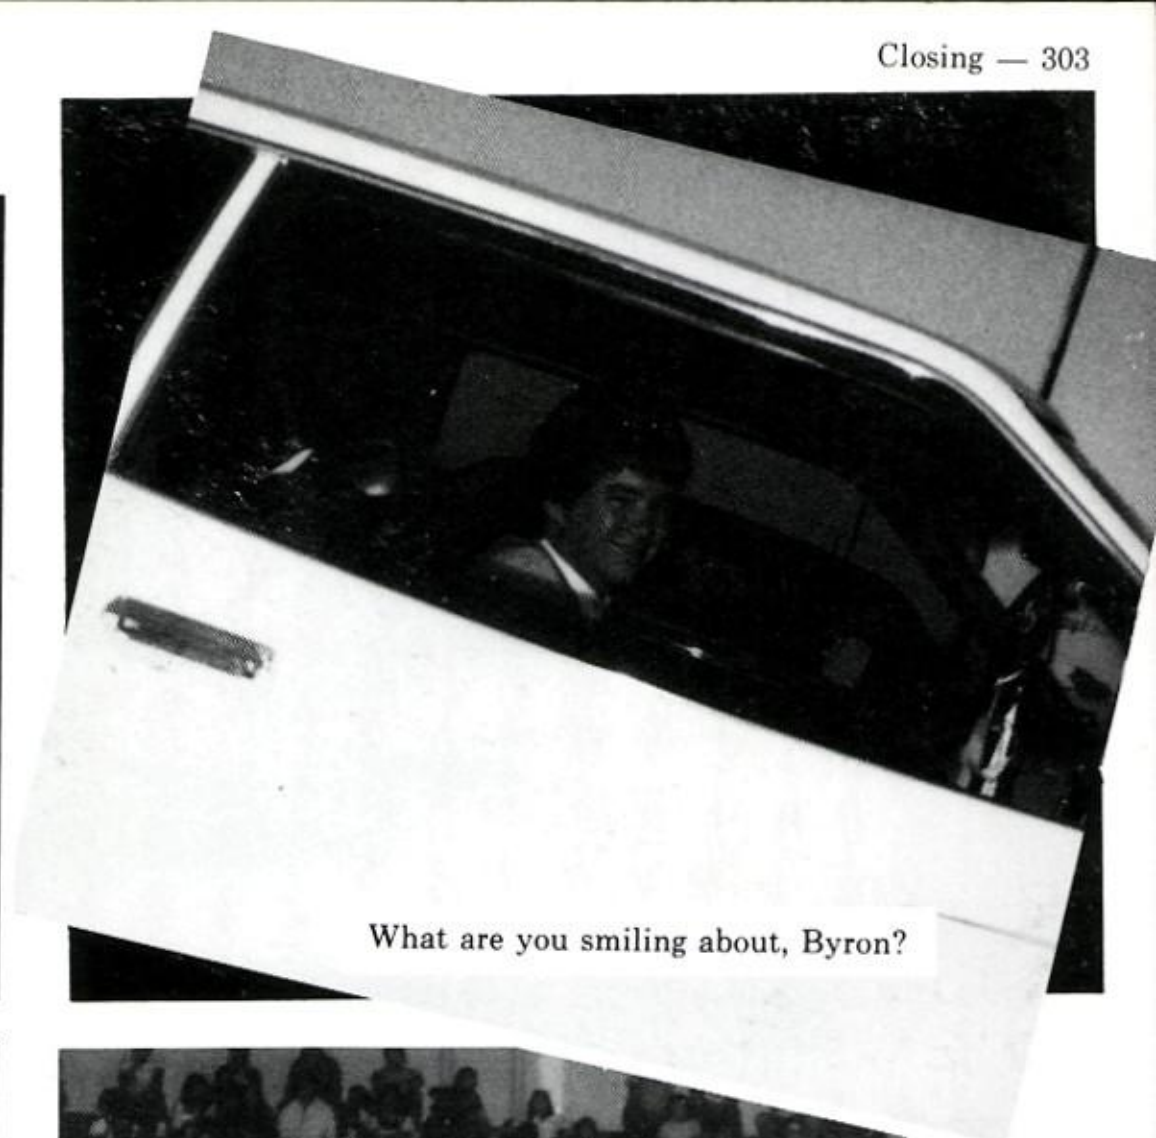

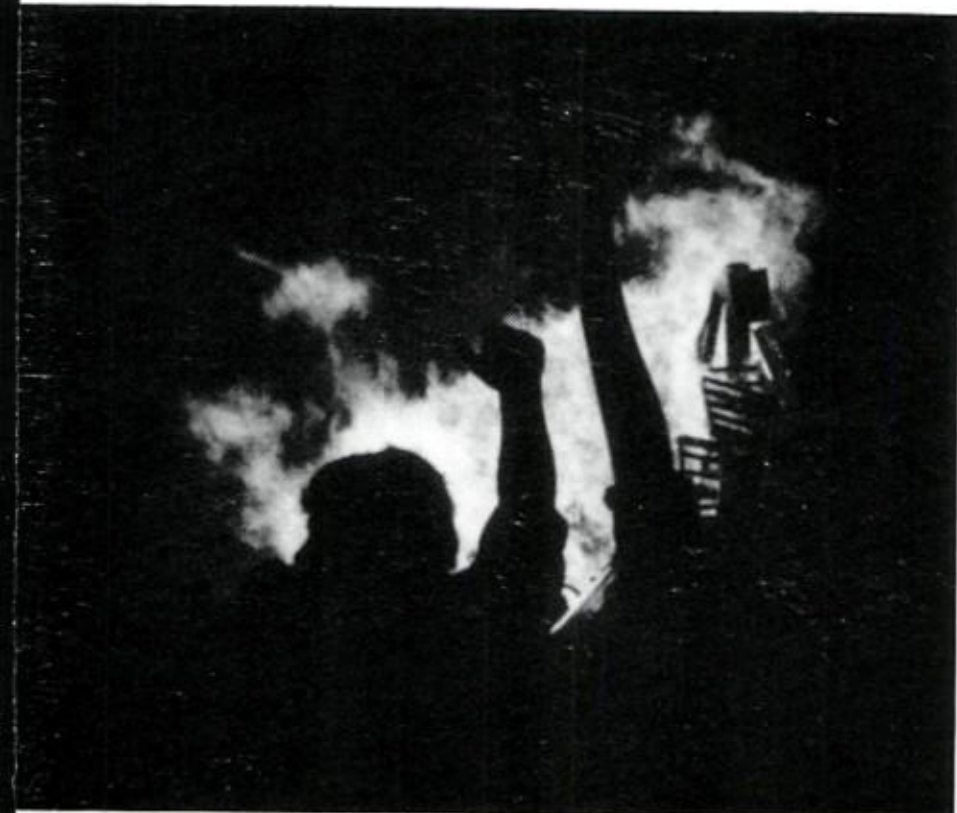

Angie and Rheanne-best buddies.

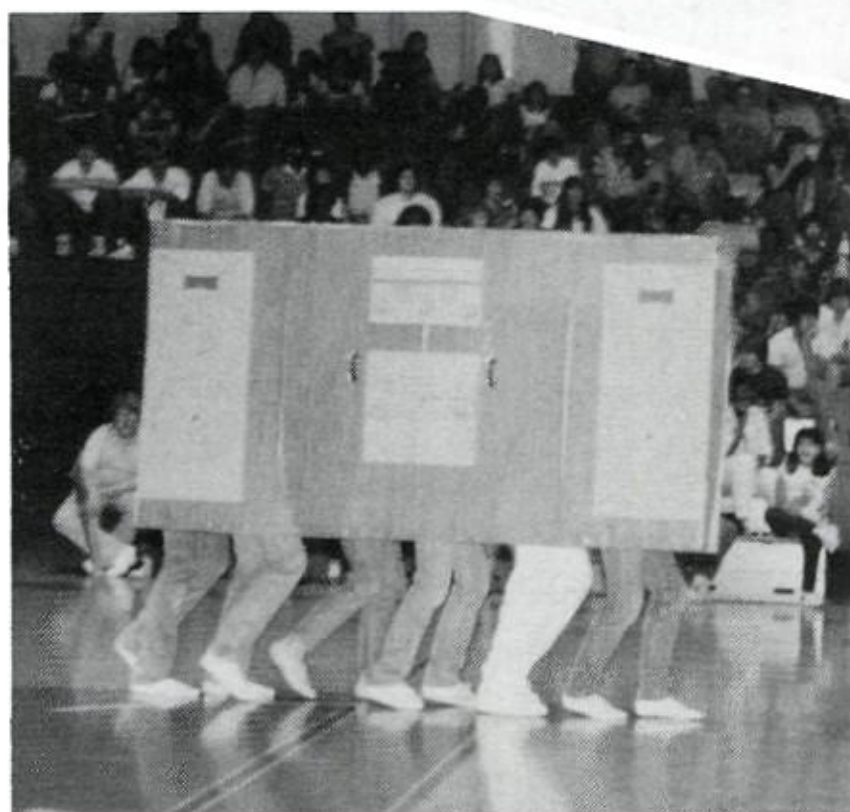

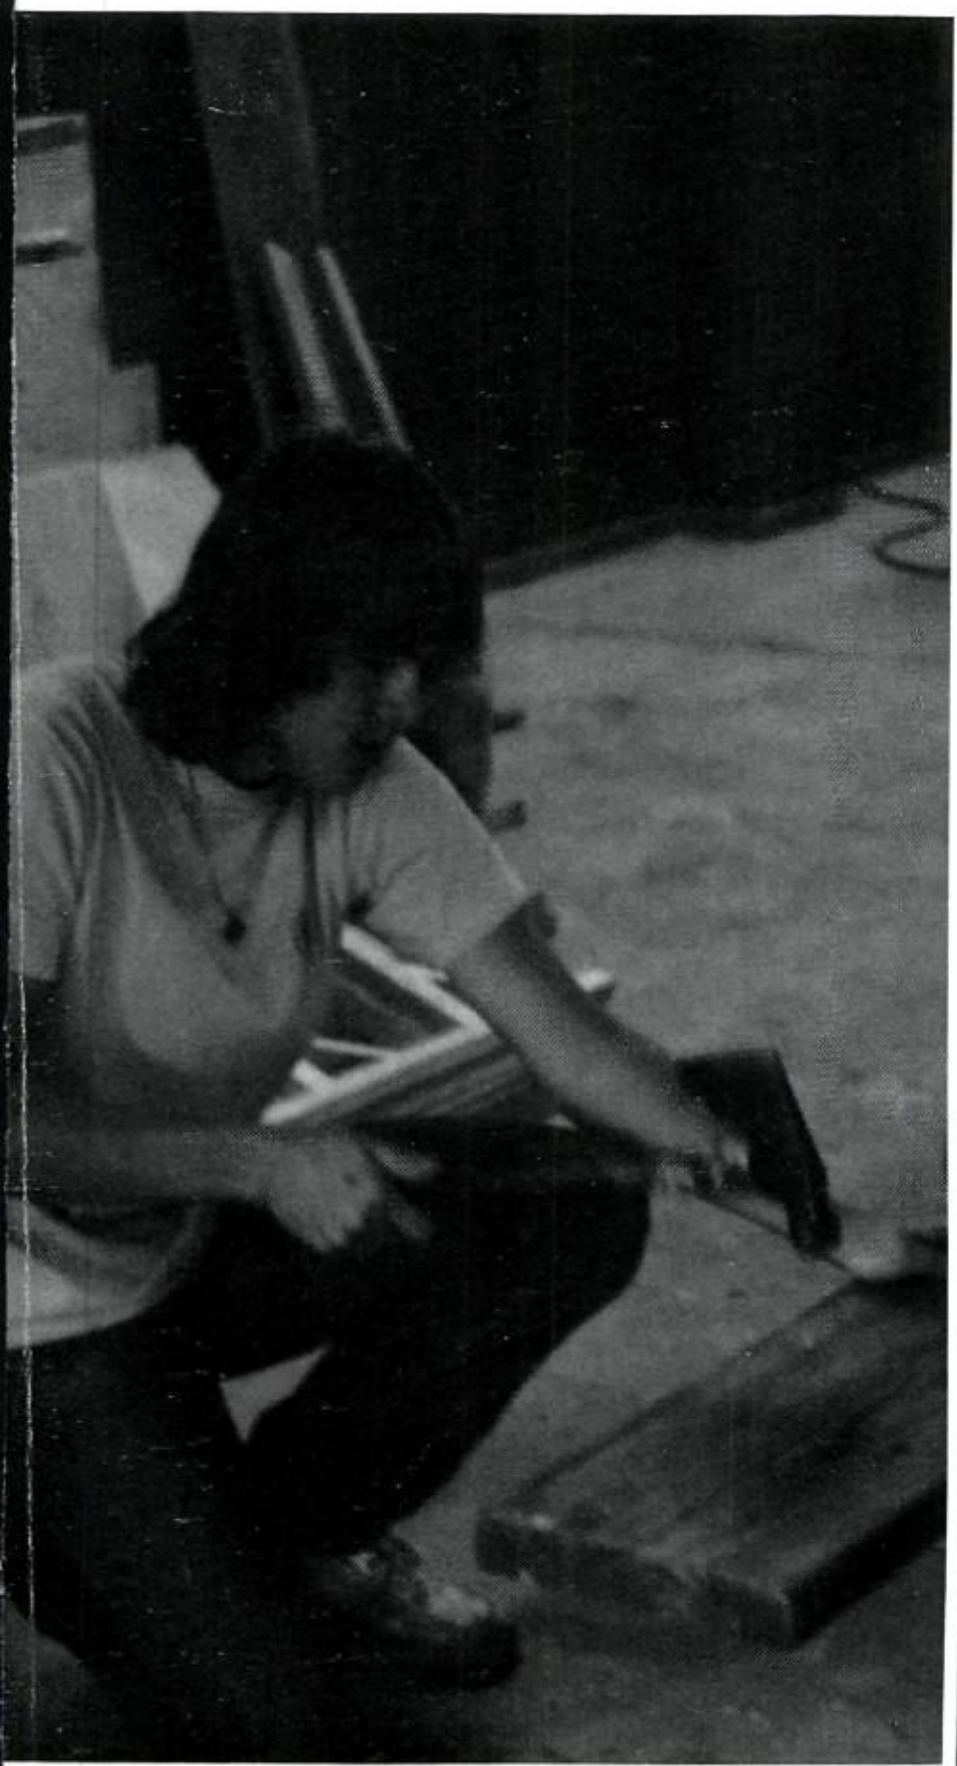

Thadd slaves away!

he spirit of '85.

What are you smiling about, Byron?

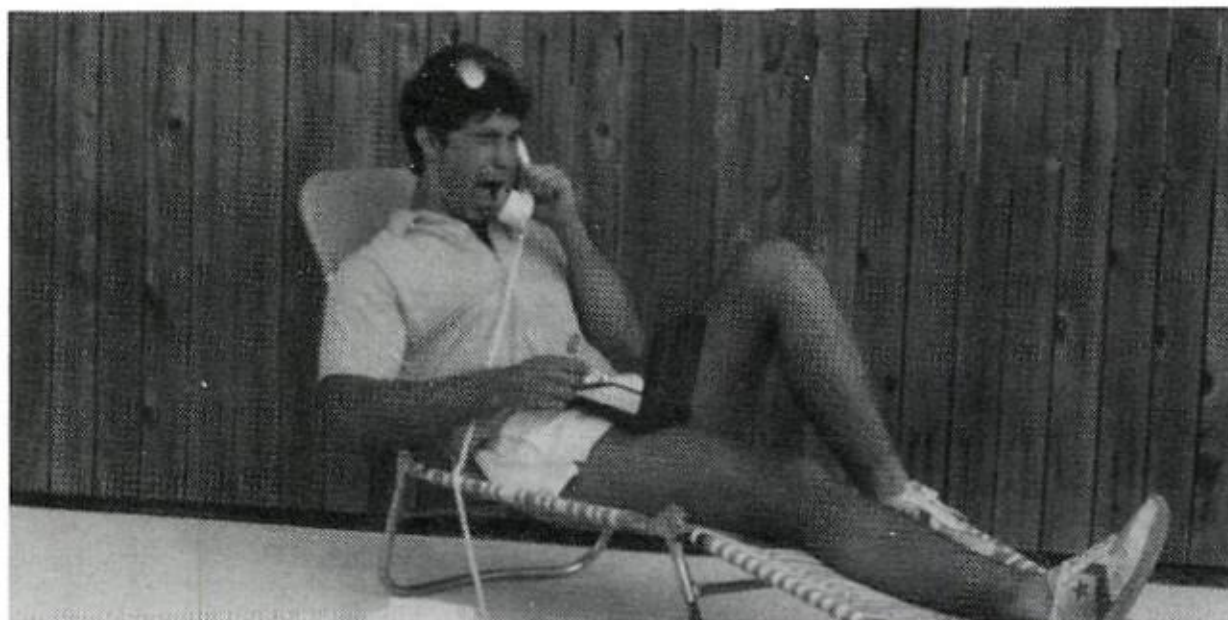

Taffy Bell for President!

on't hit your thumb!

It must be election day!

John, Greg, and Robert
enjoy cutting up cats.

Chris shows off his beautiful
legs.

Editors Letter

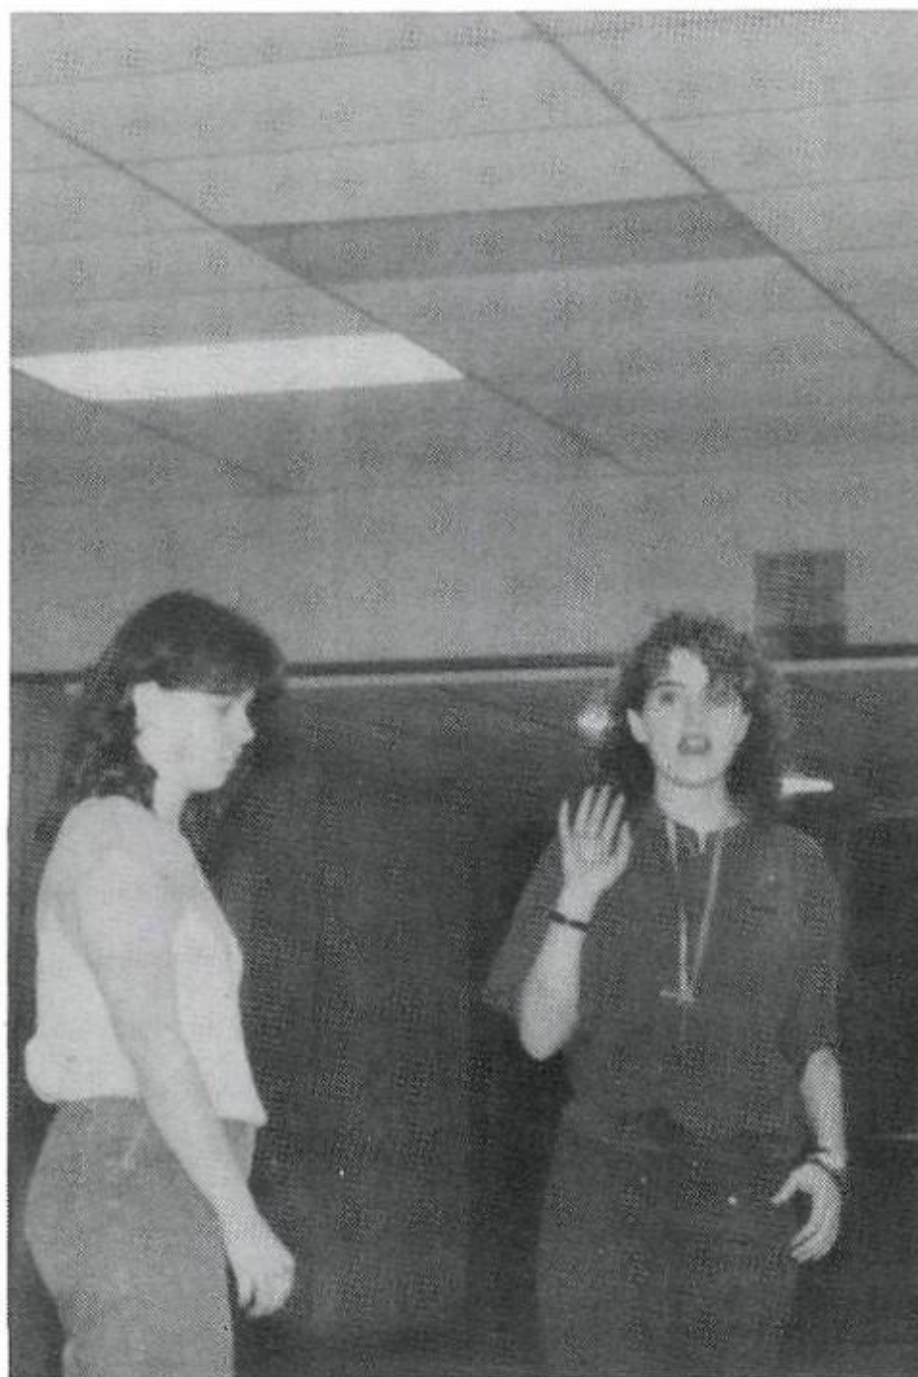

This yearbook is a special gift from us to you. We wouldn't put our names on anything that we were not proud of, and this book is no different. It was put together with each and every one of you in mind, and we hope you enjoy it. We know that the changes in this yearbook, mainly the summer delivery, may have been hard to accept, at first, but we think that now you have seen the book, you will realize why we chose to change it. We would like to thank the yearbook staff and Mrs. Phillips who spent her last year at WHS with us. We hope that this book will be remembered and cherished for many years in the future, and we thank you for giving us the opportunity to put the '84-'85 CHIEF together.

The 1985 CHIEF was printed by Jostens Printing and Publishing Company in Topeka, Kansas. The 7 ³/₄ x 10 ¹/₂ book contains 304 pages, printed on 80 lb. gross paper with eight pages printed in process color. The cover is custom embossed forest green with silver and black silkscreen ink and a gray overtone rub. The end-sheets are stainless steel with black ink. All type was set in Century Schoolbook, 10 point body copy and 8 point caption copy. Headlines were in 36 and 18 point type. Formal photos were made by Provine Studios. Our Jostens representative was Susi Berta, and our plant consultant was Chris Jensen. A special thank you to the Waxahachie Daily Light for all of their cooperation and assistance.

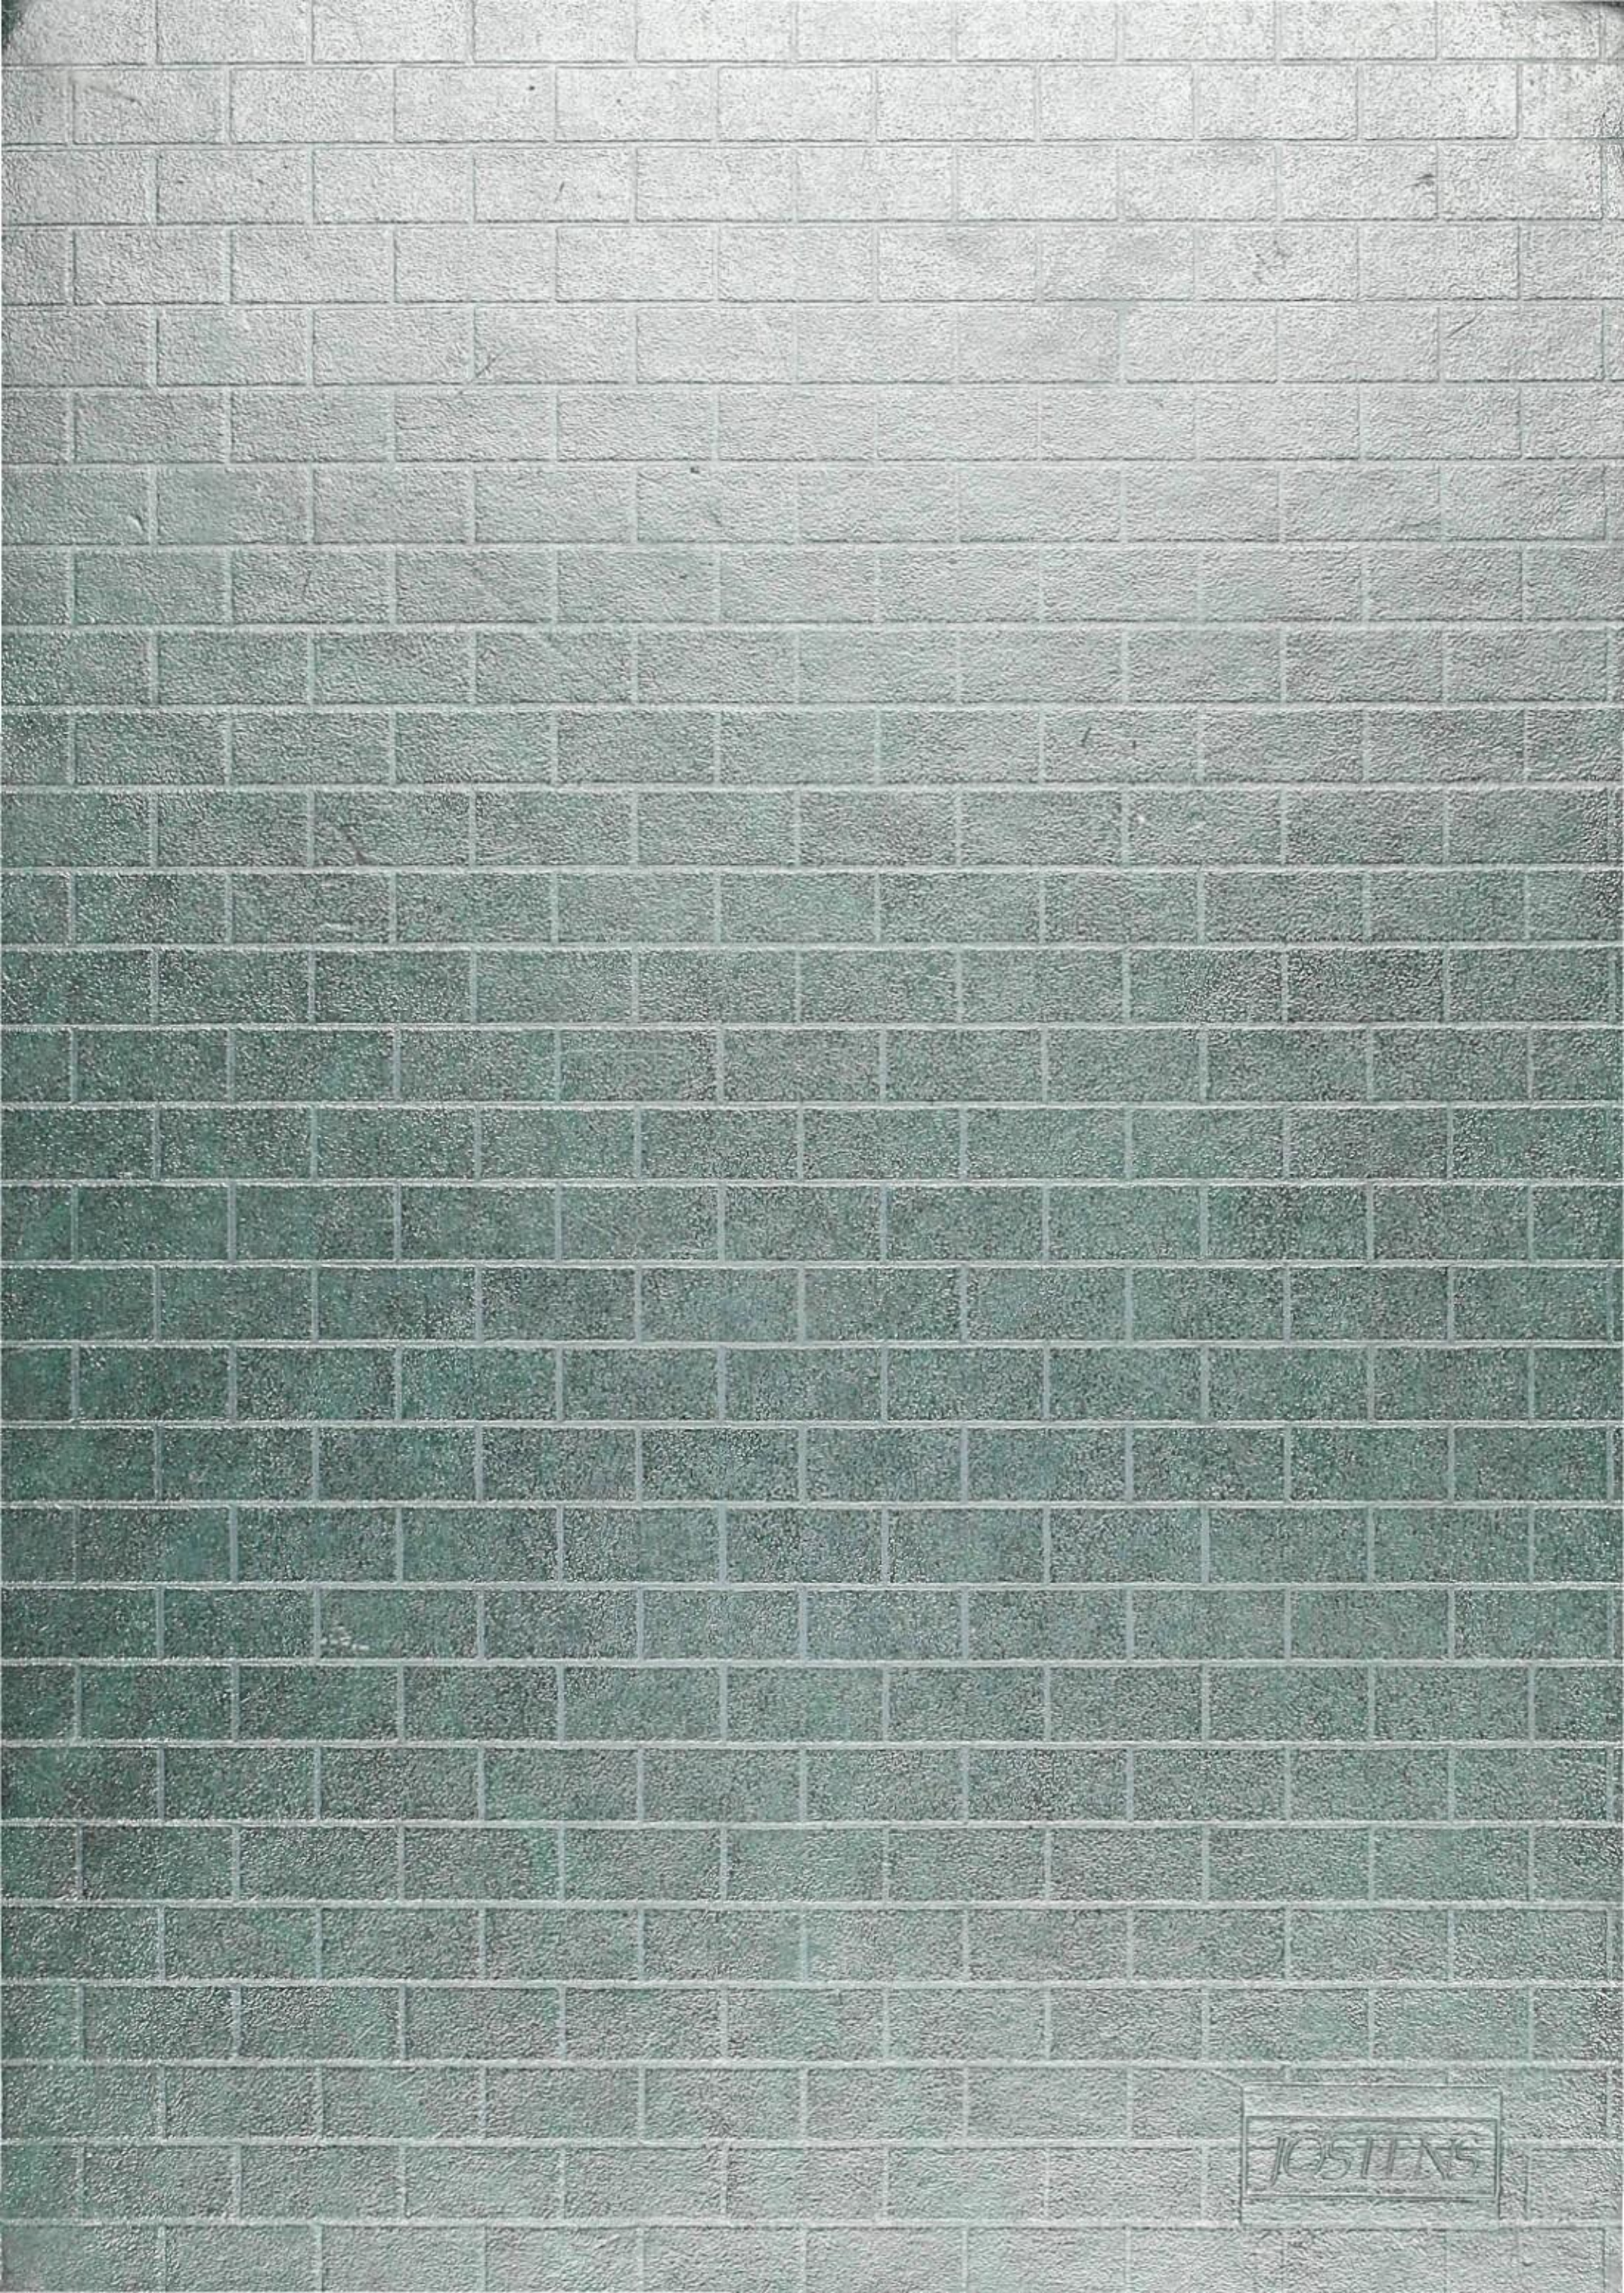

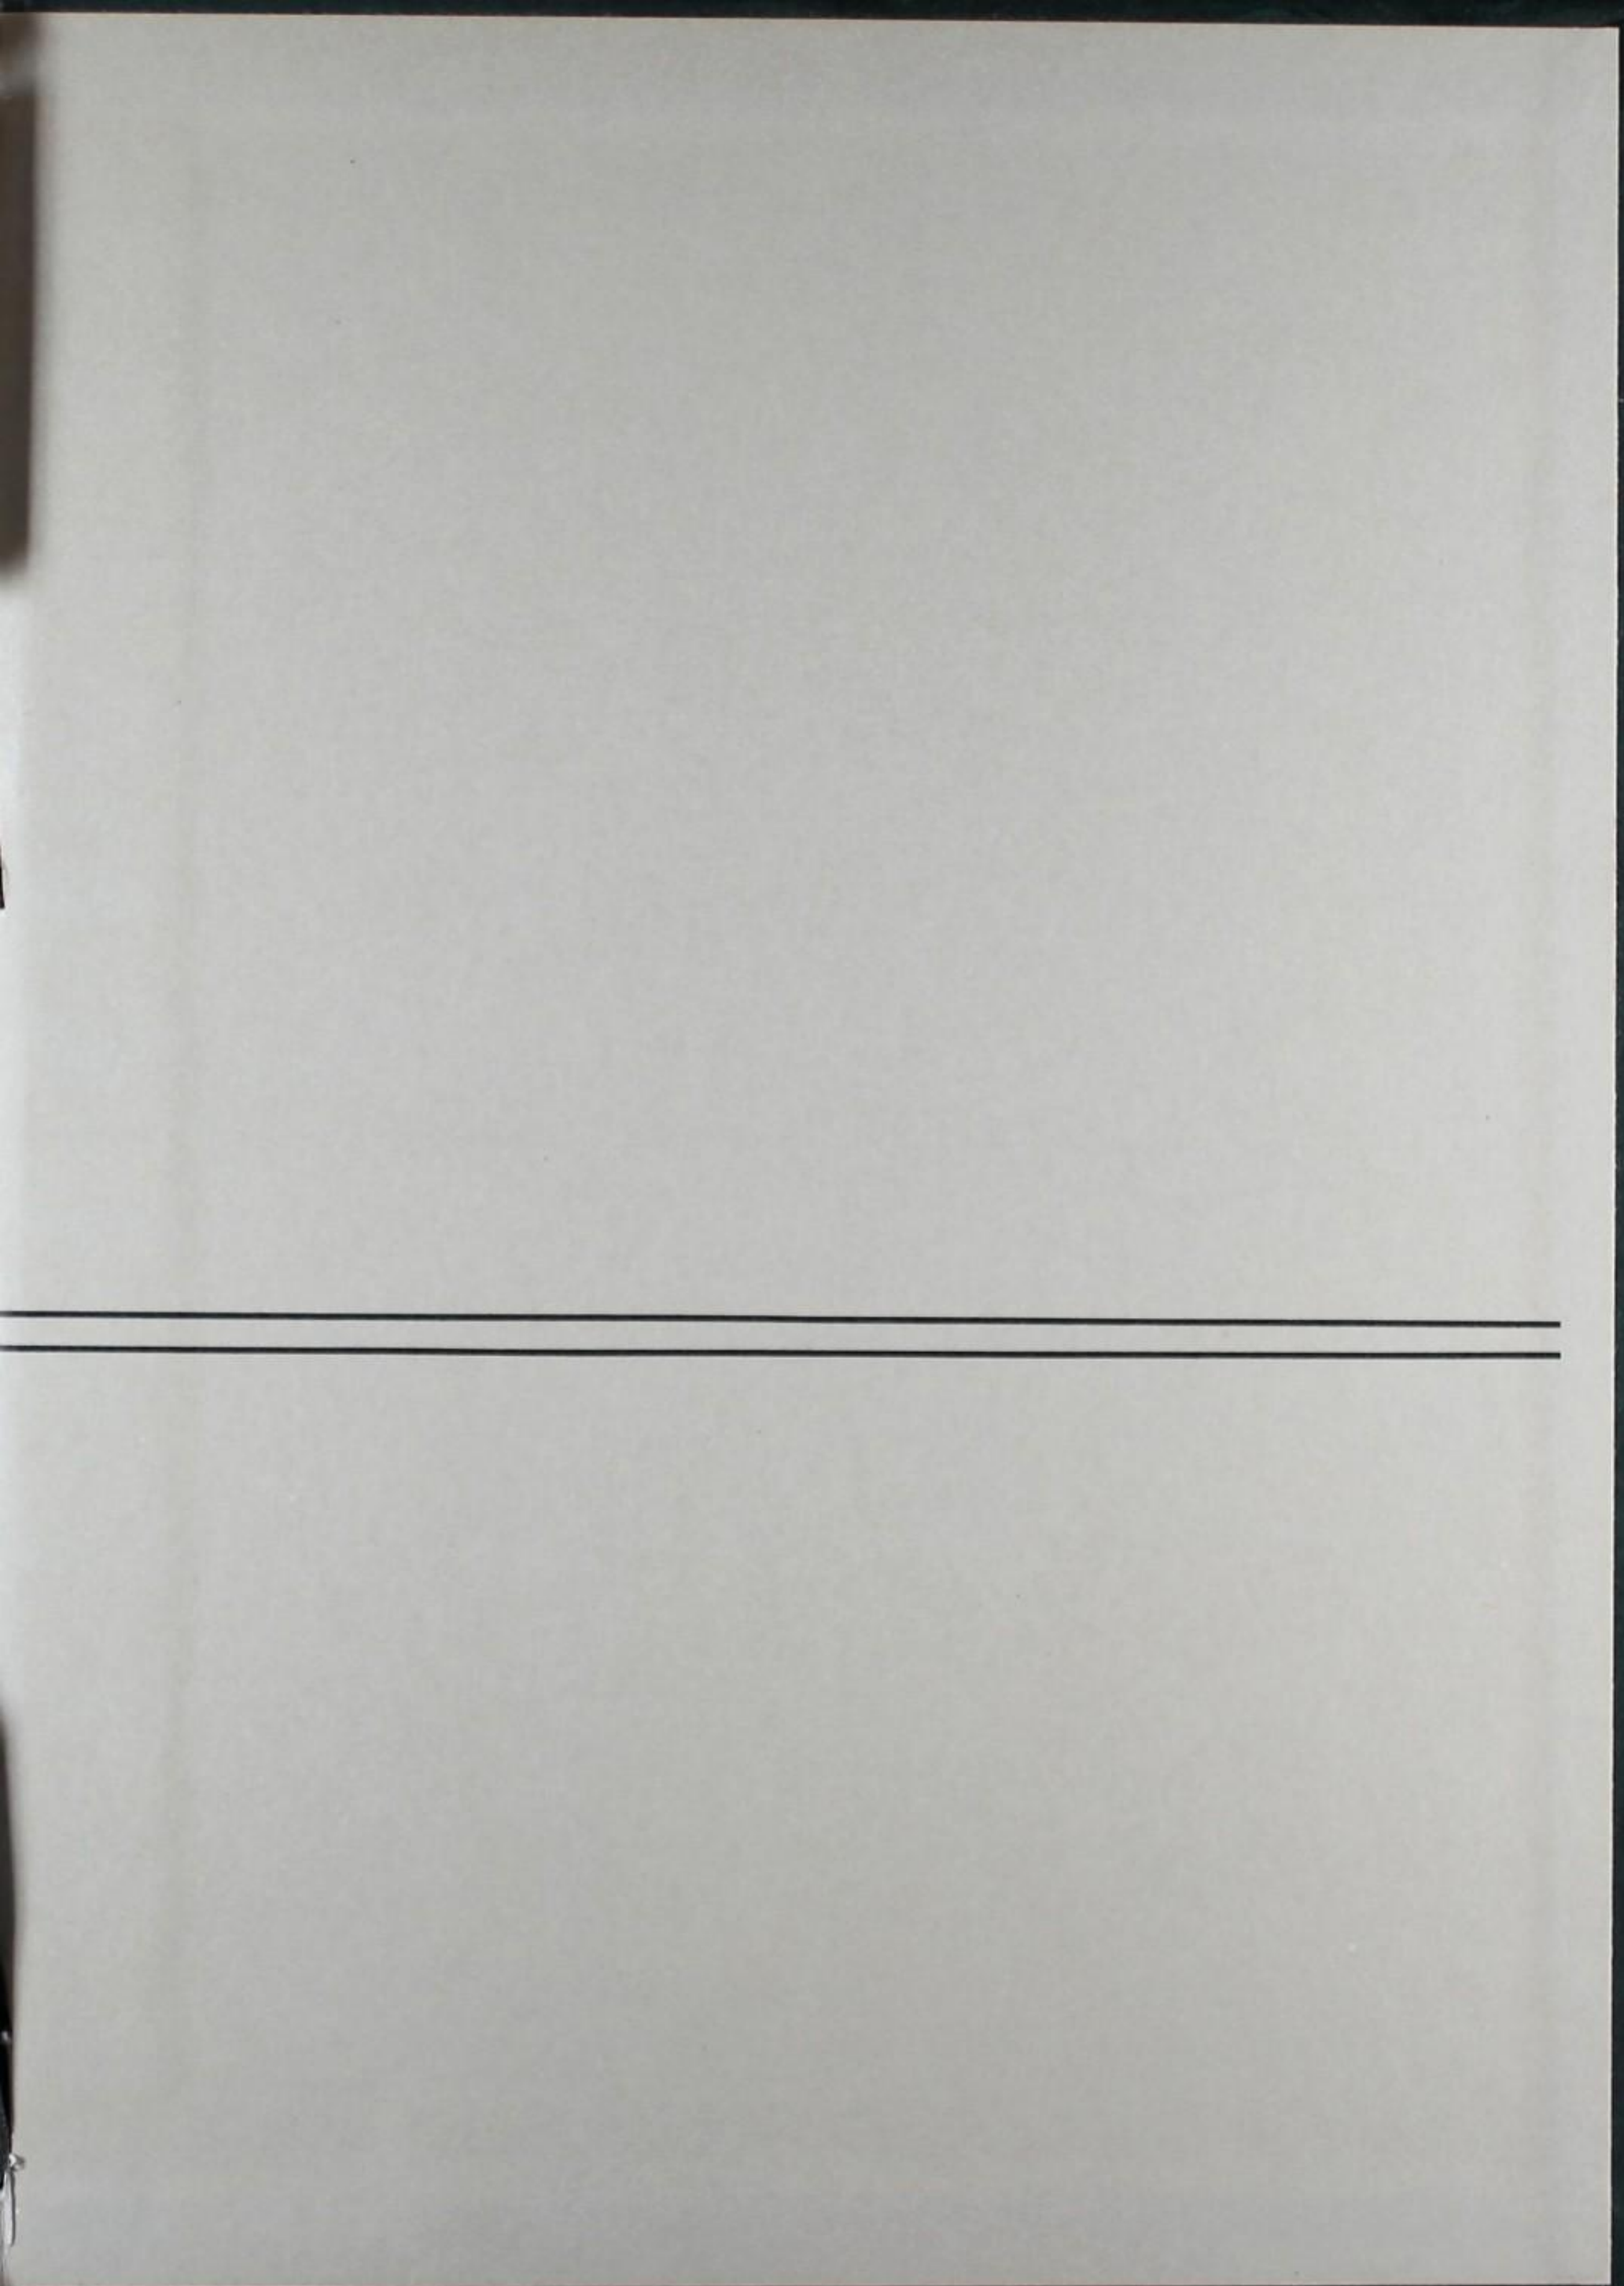

Vickie,
This is the last one ~~at~~ ^{for}
the time of high school.
We have had many ~~great~~ ^{great}
times, a few good times,
some sad times and a
small amount of terrible
times. I really enjoyed
our friendship throughout these
past years. While we go
our separate ways we
will never forget our happy
high school years. Take
it easy through the rest of
your life. Good luck in
all you ever do or
pursue throughout your life.
I will always love and
miss you dearly.

Love Always,
Sharon

rule forever!!

Nickie,
I've known
you for only 2-
3 years but only 2-
your whole life
we've been one of the
sweetest of friends
when don't go the
nothing we do much
and I thought but you
me + thoughts to say
it's own + I hope
and good Joe keep
that's as I hope
may all important
come true
I love you
are doing as
are caring
